2016-01-05

The first novel in this darkly sexy contemporary series from bestselling author Monica Murphy kicks off an emotionally powerful two-part tale of forbidden love. Crazy how eight years can disappear in an instant. One look at Katie Watts, and I'm a fifteen-year-old again—the one who risked everything to save a terrified girl from her twisted kidnapper. She's grown-up now—beautiful, quiet, composed—and telling her story to the world. A story that involves me in more ways than you can imagine. She used to call me her guardian angel. Sure, I risked my life, but she was worth dying for. I need to make contact with her. Just to ensure that she's safe. Somehow we reconnect. We become friends . . . but I want more. I want to make her mine. And she wants me too. Does she know who I am? Has she figured

me out? Not yet. But she will. In the meantime, I need to make sure that whatever hold that animal had on her is gone. So, yeah, I'm stealing these moments with her. Savoring them. Knowing, dreading, that she'll soon find out who I really am. And everything will fall apart. All because of that twisted, perverted monster sitting on death row. Her kidnapper. A convicted serial killer. My father. Praise for *Never Tear Us Apart* "All the best parts of romance and betrayal . . . **The Worst Girlfriend in the World** - Sarra Manning 2014-05-01

Alice Jenkins is the worst girlfriend in the world according to the many, many boys who've shimmied up lampposts and shoplifted from New Look to impress her, only to be dumped when she gets bored of them. Alice has a very low boredom threshold. But she never gets bored with

Franny, her best friend since they met at nursery school. Friends are for ever. Ain't nothing going to come between them. Girls rule, boys drool is their motto. Well, it's Alice's motto, Franny doesn't have much time for boys; they're all totes immature and only interested in one thing. But then there's Louis Allen, lead singer of Thee Desperadoes, the best band in Merrycliffe-on-sea (though that could be because they're the only band in Merrycliffe-on-sea). He's a tousle-haired, skinny-jeaned, sultry-eyed manchild, the closest thing that Franny's ever seen to the hipsters that she's read about on the internet and she's been crushing on him HARD for the last three years. She's never worked up the courage to actually speak to him but she's sure on some deeper level that goes beyond mere words, Louis absolutely knows that she's his soulmate. He just doesn't know that he knows it yet. It's why he cops off with so

many other girls. So, when Alice, bored with callow youths, sets her sights on Louis it threatens to tear the girls' friendship apart, even though they're better than fighting over a boy. They strike a devil's deal - may the best girl win. Best friends become bitter rivals and everything comes to an explosive conclusion on their first trip to London. Can true friendship conquer all?

**Modern Romance** - Aziz Ansari

2015-06-16

The #1 New York Times Bestseller "An

engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just

text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at

modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world’s leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we’ve seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Saint X - Alexis Schaitkin 2020-02-18

A New York Times Notable Book of 2020

"Saint X' is hypnotic. Schaitkin's characters...are so intelligent and distinctive it feels not just easy, but necessary, to follow them. I devoured [it] in a day." -Oyinkan Braithwaite, New York Times Book Review When you lose the person who is most essential to you, who do you become? Recommended by Entertainment Weekly, included in Good Morning America's 20 Books We're Excited for in 2020 & named as one of Vogue's Best Books to Read This Winter, Bustle's Most Anticipated Books of February 2020, and O Magazine's 14 of the Best Books to Read This February! Hailed as a "marvel of a book" and "brilliant and unflinching," Alexis Schaitkin's stunning debut, Saint X, is a haunting portrait of grief, obsession, and the bond between two sisters never truly

given the chance to know one another. Claire is only seven years old when her college-age sister, Alison, disappears on the last night of their family vacation at a resort on the Caribbean island of Saint X. Several days later, Alison's body is found in a remote spot on a nearby cay, and two local men-employees at the resort-are arrested. But the evidence is slim, the timeline against it, and the men are soon released. The story turns into national tabloid news, a lurid mystery that will go unsolved. For Claire and her parents, there is only the return home to broken lives. Years later, Claire is living and working in New York City when a brief but fateful encounter brings her together with Clive Richardson, one of the men originally suspected of murdering her sister. It is a moment that sets Claire on an obsessive pursuit of the truth-not only to find out what happened the night of Alison's death but also to

answer the elusive question: Who exactly was her sister? At seven, Claire had been barely old enough to know her: a beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will reveal the truth, an unlikely attachment develops between them, two people whose lives were forever marked by the same tragedy. For readers of Emma Cline's *The Girls* and Lauren Groff's *Fates and Furies*, Saint X is a flawlessly drawn and deeply moving story that culminates in an emotionally powerful ending.

[One Week Girlfriend: One Week Girlfriend Book 1](#) - Monica Murphy 2013-08-27

If you love Jessica Sorensen, Abbi Glines or Jamie McGuire's Beautiful Disaster, you'll love New York Times bestseller Monica Murphy, who took the New Adult genre by storm with the deeply emotional,

completely addicting story of Drew and Fable, beginning with One Week Girlfriend. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts - at least until I can break free. I'm temporarily raising my little brother - since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend - the flavour of the week for every guy who's heard the rumour that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is...me. I don't know what to believe anymore. Drew is

sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him - permanently. Don't miss the rest of the intensely passionate One Week Girlfriend series: Second Chance Boyfriend, Three Broken Promises, Drew + Fable Forever and Four Years Later, as well as Monica's sexy Fowler Sisters trilogy and her breathtaking Reverie Series.

2016-05-03

The second novel in this darkly sexy contemporary series from bestselling author Monica Murphy wraps up an emotionally powerful two-part tale of forbidden love. The truth hurts, they say—and my pain cuts deep. While I was falling for Ethan, he was deceiving me the entire time. He held a huge secret, protected by his lies. deny him any longer. And I can't deny my truth: I'm in love with Ethan. I don't want to let him go. While we're trying our best to make this relationship work, other forces are fighting against us. My family, who wants to keep me safe. The media obsessed with my tragic past. The public that feeds off of it. Even Ethan's father—the man who nearly destroyed me all those years ago. He's doing his best to finish the job. Despite my love for Ethan, the doubts creep in, clouding my mind. Is he worth the pain?
