I Will Never Trust a Man - Dr. Kumdong Bindul Nostra 2014-06-16

From the very first moment Saratu met Bindul, he made her believed that she was more than any other woman he had ever seen in the world. He bathed her with love, bathed her, bathed her and finally drowned her

completely into his love. Saratu loves him with the truest love of her heart. As matter-of-factly, they were head over heels in love. They admired each other, they adored each other, they allured each other, they liked each other, they want each other, they need each other, they beseechingly desired each other and they loved each other like politicians with corruptions. They declared their love for each other and not so long they stood in front of an overfilled church congregation to publicly declare their love for each other in a one-in-town society marriage. They swam in their love and lived very, very comfortable and happily in love. Saratu wasn't in need of anything, even sex. Bindul gave her all the practical part of love, the love that was made in heaven for a woman, that kind of love that

made her feel as though she was the only EVE with the only ADAM in this modern world and she was wholly dependable on it. Like King Solomon to his wives and concubines, Bindul lavished Saratu with the sweetest lovely words and praises. He gave her all that she needed in life. But when Saratu later discovered that her husband was still madly in love with Jimikat, his primeval girlfriend, things wasn't the same again for her. Their loveliest sex-packed marriage suffered a temporary drought of sex. Saratu first run to her dear friend, Dakmikat for help. Despite doing everything, her husband clung onto Jimikat like a tick to a cow. But at the end, when Bindul brought the two of them together, the problem was solved and Saratu and Jimikat became very, very good friends and lived very happily under the spell of Bindul.

Lawman - Lisa Plumley 2011-05-01

"Lawman is an outstanding historical. If you don't grab this one, you will be missing an incredible read!" --Patricia White, Under the Covers Book Reviews He followed the trail of an outlaw... In rough-and-tumble Arizona Territory, the desert sun burned hotter than Pinkerton agent Gabriel Winter's need to bring an elusive stagecoach robber to justice. There, he quickly encountered a formidable obstacle—Megan Kearney, the suspect's daughter. He wondered how such a rare beauty had avoided marriage in a

town crawling with bachelors...Until he discovered she was holding out for true love. On top of that, the spitfire spinster hotly defended her father's innocence. For some reason, Gabriel wanted to believe not just her naïve claims about her father, but her outlandish romantic notions as well. Still, no outlaw had ever slipped through his fingers, and he wasn't about to risk that hard-earned reputation for the pleasures promised in Megan's fiery gaze... Into the arms of a forbidden woman Megan had to find her father before Gabriel did—which meant monitoring his every move.

Accompanying him amid the saloons and brothels crowding Tucson's dusty streets, Megan intended to clear her father's name—even if it meant using her feminine wiles to charm the city slicker detective. She would prove that the maddeningly self-assured Gabriel had underestimated her resolve. But Megan soon discovered that she had underestimated the powerful feelings one man could arouse in a heart that ached for passion...and everlasting love. "Highly recommended! An imaginative novel complete with delightful characters and a scintillating plot. Lisa Plumley's name on the cover always guarantees a good read." --Kathee S. How to Create Heart-Based Hospitality: The Future of the Hotel Hospitality Experience - Peter McAlpine

This book shows hoteliers how to create a spirit of hospitality that is

impossible to create with the globally pervasive, standards manual-based concept of SOP-Customer Satisfaction. Heart-Based Hospitality is an energetic and spiritual concept of hospitality, and it provides a completely new direction in hospitality. It is based on creating an ever-increasing spirit of unconditional love, Metta loving-kindness, compassion, and heart-warming care, which are the forgotten essence of hospitality. By working with energy, especially heart energy, and by developing the spiritual capacity of the staff you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP-Customer Satisfaction ceiling. As you develop Heart-Based Hospitality you can increase the softness, gentleness, loving-kindness, compassion, and heart-warming care of the staff and the energetic warmth of the hospitality without limit. Heart-Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually. It will revolutionise the hospitality industry. I call the level Heart-Based Hospitality because it is created by working with human energy, especially with the energy of the heart; by developing the heart's intelligence; by increasing heart coherence so as to open the heart to experience ever-stronger emotions of love; and by developing spiritual capacity which increases the desire to show unconditional love, Metta loving-kindness, heart-warming care, and compassion from the heart. The future hospitality experience will be

energetic and spiritual. Hotels in the future will also use heart field energy techniques to change the energetic vibration of the hotel staff, the guests, and spaces. They will also infuse spaces, facilities, and guest accommodation with pleasant-feeling energy through specific meditations. I have written the book in order to bring about a revolution of change in the hotel industry. The book shows hotels how to implement and develop the process of creating Heart-Based Hospitality. Part 1, the Introduction to the book, explains what the book is about. Go to this link:

Stories to Warm Your Heart and Make You Smile - Putz Ballard

2010-03-18

We all have been blessed with having a God given memory and in this volume I have opened up the stored memories of my youth. Some are tales that have been shared with me but most are simple stories about me and my family and are snippets from my life. There is humor and sadness contained in these stories some of which are very short and have a

deeper meaning and application. It is my hope those who read will sense how special life and the memories held dear to our hearts will be a source of comfort and joy. Written simply in a folksy way, it is with great joy I share with all who will read.

Hunters - Caity Schmidt 2019-10-15

We all know the story of the kid that goes on a "magical adventure" only to return with a newfound sense of appreciation for family and home. But that's not always how the story goes, is it? *Hunters: The Wanderers' War*: Book 1 follows Jac Torres who, after returning from her magical adventure, is told it was all a psychotic break. She spends the next several years medicated and in treatment, all to dampen the memory of magic in her veins and her desire to return to the only place she ever felt like was home. Miserable for the last decade, she welcomes the meds that keep her from thinking about Braora. Now, if only her new therapist would stop demanding she talk about what never happened, she could stop fantasizing about breaking probation... ..And his nose. At her lowest point, Jac risks everything and steps through a portal on the sliver of hope she might get to go back. But the map is far bigger than she knew, she's not as special as she thought, her traveling companion is, at best, a manipulative liar, and, for some reason, people seem to want her dead.

Cultivator and Country Gentleman - 1868

Kanone II - Edmund LeRoy 2016-06-14

1917 is drawing to a close. Two battle-hardened armies lie exhausted in the snow-covered trenches of the Ste Helene Salient. The crimson skies above them are empty. Heroes have fallen. Others are broken in spirit. An uneasy calm has descended upon this part of the Western Front. But it cannot last. Far behind the front line two formidable women are driven together, one by her search for vengeance, the other by her obsessive determination to achieve the impossible. But vengeance and obsession are dangerous companions, and when they join forces the consequences are catastrophic. *Oberkanone* is the second part of the *Kanone* trilogy. Once again Homer's epic the *Iliad* is transported from the windswept plains of Troy to the frozen killing fields of France. Once again the timeless tale of tragedy unfolds, a tale that speaks of man's indomitable pride and his insatiable lust for glory.
