*Christmas at Highclere* - The Countess of Carnarvon 2019-09-05  
Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. Christmas at Highclere is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journeys home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of

Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is celebration of one of the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.

**The Golden Ticket** - Lance Fortnow 2017-02-28  
The P-NP problem is the most important open problem in computer science, if not all of mathematics. Simply stated, it asks whether every problem whose solution can be quickly checked by computer can also be quickly solved by computer. The Golden Ticket provides a nontechnical introduction to P-NP, its rich history, and its algorithmic implications for everything we do with computers and beyond. Lance Fortnow traces the history and development of P-NP, giving examples from a variety of disciplines, including economics, physics, and biology. He explores problems that capture the full difficulty of the P-NP dilemma, from discovering the shortest route through all the rides at Disney World to finding large groups of friends on Facebook. The Golden Ticket explores what we truly can and cannot achieve computationally, describing the benefits and unexpected challenges of this compelling problem.

### *The Beautiful Ones* - Prince 2019-10-29

THE #1 NEW YORK TIMES BESTSELLER A Times, Sunday Times and Telegraph Book of the Year

\_\_\_\_\_ 'A triumph ... a masterclass in the bottling of its subject's seductive essence. His presence in this book is so strong that it's hard to believe he has really left the building' MOJO 'Handsomely presented, visually sumptuous' THE TIMES

From Prince himself comes the brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time-featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death. Prince was a musical genius, one of the most talented, beloved, accomplished, popular, and acclaimed musicians in pop history. But he wasn't only a musician-he was also a startlingly original visionary with an

imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of his early records to the mythical landscape of Purple Rain to the psychedelia of Paisley Park. But his greatest creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, the greatest pop star of his era. *The Beautiful Ones* is the story of how Prince became Prince-a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is composed of the memoir he was writing before his tragic death, pages that brings us into Prince's childhood world through his own lyrical prose. The second part takes us into Prince's early years as a musician, before his first album released, through a scrapbook of Prince's writing and photos. The third section shows us Prince's evolution through candid images that take us up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain-the final stage in Prince's self-creation, as he retells the autobiography we've seen in the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring's riveting and moving introduction about his short but profound collaboration with Prince in his final days-a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated-and annotations that provide context to each of the book's images. This work is not just a tribute to Prince, but an original and energizing literary work, full of Prince's ideas and vision, his voice and image, his undying gift to the world.

\_\_\_\_\_ 'Prince's voice comes through loud and clear; his personality, joie de vivre and single-mindedness jumping off the page throughout.' CLASSIC POP MAGAZINE 'The Beautiful Ones is for everyone. It's not a read, but an experience, an immersion inside the mind of a musical genius. You are steeped in Prince's images, his words, his essence... The book can be a starting point for a Prince fascination, or a continuation of long-standing admiration. Either way, it will deepen the connection of any reader with the musical icon.' USA TODAY 'An affirmation of Prince's

Blackness and humanity... Prince writes about his childhood with clarity and poetic flair, effortlessly combining humorous anecdotes with deep self-reflection and musical analysis... Prince is one of us - he just worked to manifest dreams that took him from the North Side of Minneapolis to the Super Bowl.' HUFFPOST 'A compelling curiosity that finds its author orbiting around a few touchingly intimate encounters with his sphinx-like subject ... with passages, lyric sheets and photographs from the Purple One himself' TELEGRAPH, Books of the Year 'Both a pleasure and a surprise ... Prince took the project very seriously, and it shows in the work he delivered. ... It shines an intimate and revealing light on the least-known period of his life' VARIETY 'The Beautiful Ones is a book in pieces, fragments of the ground-breaking autobiography Prince had planned. Pieced together after his death in 2016, it collects his handwritten childhood memoirs, superb personal photographs and his chosen co-writer Dan Piepenbring's vivid account of their brief collaboration. Yet remarkably despite the central absence, it still catches something of Prince between the gaps - a trace of perfume, a glance to camera, a first kiss' SUNDAY TIMES, Book of the Year 'This is a beautiful book and a must-have for Prince completists' DAILY EXPRESS 'A ghostly memoir of a pop legend' THE i

what it meant to you! This album is a ticket stub collectors dream and the perfect way to turn a ticket into a gift!

Black Tickets - Jayne Anne Phillips 2011-11-16  
Jayne Anne Phillips's reputation-making debut collection paved the way for a new generation of writers. Raved about by reviewers and embraced by the likes of Raymond Carver, Frank Conroy, Annie Dillard, and Nadine Gordimer, *Black Tickets* now stands as a classic. With an uncanny ability to depict the lives of men and women who rarely register in our literature, Phillips writes stories that lay bare their suffering and joy. Here are the abused and the abandoned, the violent and the passive, the impoverished and the disenfranchised who populate the small towns and rural byways of the country. A patron of the arts reserves his fondest feeling for the one man who wants it least. A stripper, the daughter of a witch, escapes from poverty into another kind of violence. A young girl during the Depression is caught between the love of her crazy father and the no less powerful love of her sorrowful mother. These are great American stories that have earned a privileged place in our literature.

Pinocchio, the Tale of a Puppet - Carlo Collodi 2011-02

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a

real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

**Hidden London** - David Bownes 2019-09-03

Travel under the streets of London with this lavishly illustrated exploration of abandoned, modified, and reused Underground tunnels, stations, and architecture.

*Book of Beasts* - Elizabeth Morrison 2019

A celebration of the visual contributions of the bestiary--one of the most popular types of illuminated books during the Middle Ages--and an exploration of its lasting legacy. Brimming with lively animals both real and fantastic, the bestiary was one of the great illuminated manuscript traditions of the Middle Ages. Encompassing imaginary creatures such as the unicorn, siren, and griffin; exotic beasts including the tiger, elephant, and ape; as well as animals native to Europe like the beaver, dog, and hedgehog, the bestiary is a vibrant testimony to the medieval understanding of animals and their role in the world. So iconic were the stories and images of the bestiary that its beasts essentially escaped from the pages, appearing in a wide variety of manuscripts and other objects, including tapestries, ivories, metalwork, and sculpture. With over 270 color illustrations and contributions by twenty-five leading scholars, this gorgeous volume explores the bestiary and its widespread influence on medieval art and culture as well as on modern and contemporary artists like Pablo Picasso and Damien Hirst. Published to accompany an exhibition on view at the J. Paul

Getty Museum at the Getty Center May 14 to August 18, 2019.

**The Ticket Collector from Belarus** - Mike

Anderson 2022-01-20

'Brilliantly gripping' Sunday Times; 'Compelling' Daily Mail; 'Heart-rending' Sunday Telegraph; 'Excellent' The Times; 'Engrossing' Independent The UK's only war crimes trial took place in 1999 and had its origins in the horrors of the Holocaust, but only now in *The Ticket Collector from Belarus*? can the full story be told. *The Ticket Collector from Belarus* tells the remarkable story of two interwoven journeys. Ben-Zion Blustein and Andrei Sawoniuk were childhood friends in 1930s Domachevo, a holiday and health resort in what is now Belarus. During the events that followed the Nazi invasion in 1941, they became the bitterest of enemies. After the war, Ben-Zion made his way to Israel, and 'Andrusha the bastard' to England, where he found work as a British Rail ticket collector in London. They next confronted each other in the Old Bailey, over half a century later, where one was the principal prosecution witness, and the other charged with a fraction of the number of murders he was alleged to have committed. There was no physical evidence, just one man's word against another, leaving the jury with a series of agonising dilemmas: Could any witness statement be trusted so long after the event? Was Andrusha a brutal killer, a hapless pawn or a scapegoat? And were his furious protests a sign of guilt or the justified anger of an innocent old man? Mike Anderson was gripped by the story, and so began his quest to find the truth about this astonishing case and the people at its heart. As he discovered, it was even more remarkable than he could ever have imagined.

**Creating Handmade Books** - Alisa J. Golden 2000

Everyone has a story to tell--so make your own book to tell it with! From the scissors that snip the pages to the glues and stitches and ties that bind them; from elaborate compound structures with pockets to multiple signatures in a thick, sewn volume, here are the techniques you need and the styles you want. Cut and fold pages in a simple accordion, or hide a second book inside. Create pop-ups, fan, and slot-and-tab books. Construct handscrolls and hanging ones, soft- and hardcovers, even portfolios and boxes. Hundreds of illustrations and diagrams will guide you, and dozens of striking pictures will seize your imagination! The author lives in Berkeley, CA. 128 pages (all in color), 8 1/2 x 10. NEW IN PAPERBACK

The Negro Motorist Green Book - Victor H. Green  
The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Blue Ticket - Sophie Mackintosh 2020-06-30

\*BELLETRIST'S AUGUST 2020 BOOK PICK\*

"[Mackintosh's] writing is clear and sharp, with piercing moments of wisdom and insight that drive toward a pitch-perfect ending...Blue Ticket adds something new to the dystopian tradition set by Orwell's 1984 or Atwood's The Handmaid's Tale." --New York Times Book Review From the author of the Man Booker Prize longlisted novel

The Water Cure ("ingenious and incendiary"--The New Yorker) comes another mesmerizing, refracted vision of our society: What if the life you're given is the wrong one? Calla knows how the lottery works. Everyone does. On the day of your first bleed, you report to the station to learn what kind of woman you will be. A white ticket grants you marriage and children. A blue ticket grants you a career and freedom. You are relieved of the terrible burden of choice. And once you've taken your ticket, there is no going back. But what if the life you're given is the wrong one? When Calla, a blue ticket woman, begins to question her fate, she must go on the run. But her survival will be dependent on the very qualities the lottery has taught her to question in herself and on the other women the system has pitted against her. Pregnant and desperate, Calla must contend with whether or not the lottery knows her better than she knows herself and what that might mean for her child. An urgent inquiry into free will, social expectation, and the fraught space of motherhood, Blue Ticket is electrifying in its raw evocation of desire and riveting in its undeniable familiarity.

**Dictionary of the Holocaust** - Eric J. Epstein 1997-11-20

Historical background is provided for such events as Kristallnacht and the Warsaw Ghetto Uprising, and entries on concentration and death camps give details on the nationalities interned, each camp's specific location, and its history.

**The Book-Keeper and American Counting-Room Volume 2** - Richard P. Brief 2020-09-04

This book, first published in 1989, contains reprints of the early periodical on accounting, The Book-Keeper. It dealt with 'historical reviews of methods and systems in all ages and by all nations. Elucidations of accounts, introducing new and simplified features of accounting. Problems from the counting-room discussed and explained. Instructive notes upon plans and methods of book-keeping in every department of trade, commerce and industry.' The journal is a primary source for students interested in the history of accounting.

The Century Illustrated Monthly Magazine - Mark J. Noonan 2023-03-05

Reprint of the original, first published in 1871. The publishing house Anatiposi publishes

historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

**Ticket to India** - N. H. Senzai 2015-11-17

When twelve-year-old Maya and big sister Zara set off on their own from Delhi to their grandmother's home of Aminpur, a small town in Northern India, they become separated and Maya decides to continue their quest to find a chest of family treasures that their grandmother's family left behind when they fled from India to Pakistan during the Great Partition.

**American Engineer, Car Builder and Railroad Journal** - 1854

*My Ticket to Ride* - Janice Mitchell 2021-09-15

A true-adventure, coming-of-age tale set in the exhilarating first wave of Beatlemania ... It's 1964, and 16-year-old Janice is struggling in a grim foster home in Cleveland when she falls suddenly, deeply in love ... with the Beatles. They

and their music stir in her an ecstatic new sense of freedom. With a friend, she hatches a bold plan to escape their dreary lives and run away to London to meet the Fab Four. On their own for the first time—in “Beatleland”—they explore a new city, a new culture, and a new life, visiting the hippest clubs of Soho, meeting some nice English boys, hitchhiking to Liverpool ... But unbeknownst to them, the runaways have become international news—and a hunt is on. Adventure and newfound freedom end abruptly when Janice is apprehended by London police and hauled home to Cleveland and an unforgiving juvenile justice system. Warned by responsible adults to put it all behind her, she doesn't speak of her extraordinary adventure for more than fifty years. In this memoir, she looks back with fresh insight on the heady early days of Beatlemania and an era in America when young women exercising some control over their lives presented a serious threat to adult society. [The Law Journal Reports](#) - Henry D. Barton 1861

**American Railroad Journal** - 1854
