Urban High School Students and the Challenge of Access documents a year in the life of five adolescents preparing for college. The text examines the different pathways that brought these students to where they are: living in poverty, attending overcrowded schools, and the pressure to be the first in their families to attend college are just a few of the challenges these students must battle en route to college, and that impact their chances of success once there. Their stories provide insight for practitioners and policy makers working to improve college access at urban high schools.

Killer Addiction: When Murder Becomes A Habit - Mike Dowsett 2020-09-26

Addiction is a cruel master and a vicious servant. A cold-blooded killer is roaming the dark underbelly of Washington DC, stalking addicts of various dependencies to feed an addiction of his own... murder. The line between good and evil is not as simple as black or white; it is blurred by compulsion, redemption, justice, recovery and relapse. Control is an illusion. The Addict Killer is a brutal serial murderer whose victims are all tied with a common thread. A violent killing spree begins with a heroin addict, drawing a man into a hunt through a series of elaborately staged and grisly murders. At each turn, he discovers another victim killed in a manner fundamentally linked to the nature of their addiction. But the tables are turned in the pursuit of the sadistic psychopath as the hunter becomes the hunted, leading to a terrifying conclusion with lives left hanging in the balance.

The Word that Causes Death's Defeat - Anna Andreevna Akhmatova 2004-01-01

Anna Akhmatova (1889-1966), one of twentieth-century Russia's greatest poets, was viewed as a dangerous element by post-Revolution authorities. One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges, she set for herself the artistic task of preserving the memory of pre-Revolutionary cultural heritage and of those who had been silenced. This book presents Nancy K. Anderson's superb translations of three of Akhmatova's most important poems: Requiem, a commemoration of the victims of Stalin's Terror; The Way of All the Earth, a work to which the poet returned repeatedly over the last quarter-century of her life and which combines Old Russian motifs with the modernist search for a lost past; and Poem Without a Hero, widely admired as the poet's magnum opus. Each poem is accompanied by extensive commentary. The complex and allusive Poem Without a Hero is also provided with an extensive critical commentary that draws on the poet's manuscripts and private notebooks. Anderson offers relevant facts about the poet's life and an overview of the political and cultural forces that shaped her work. The resulting volume enables English-language readers to gain a deeper level of understanding of Akhmatova's poems and how and why they were created.

Stanislavsky: A Life in Letters - Laurence Senelick 2013-10-08
Konstantin Stanislavsky transformed theatre in the West and was indisputably one of the twentieth century's greatest innovators. His life and work mark some of the most significant artistic and political milestones of that tumultuous century, from the emancipation of the serfs to the Russian Revolution. Little wonder, then, that his correspondence contains gripping exchanges with the famous and infamous of his day: men such as Tolstoy, Chekhov, Trotsky and Stalin, among others. Laurence Senelick, one of the world's foremost scholars of Russian literature, mines the Moscow archives and the definitive Russian edition of Stanislavsky's letters, to produce the fullest collection of the letters in any language other than Russian. He sheds new light on this fascinating field. Senelick takes us from the earliest extant letter of an eleven-year-old Konstantin in 1874, through his work as actor, director and actor trainer with the Moscow Art Theatre, to messages written just before his death in 1938 at the age of seventy-five. We discover Stanislavsky as son, brother and father, as lover and husband, as businessman and "internal emigre." He is seen as a wealthy tourist and an impoverished touring actor, a privileged subject of the Tsar and a harried victim of the Bolsheviks. Senelick shares key insights into Stanislavsky's work on such important productions as *The Seagull*, *The Cherry Orchard*, *Hamlet*, *Othello*, and *The Marriage of Figaro*. The letters also reveal the steps that led up to the publication of his writings *My Life in Art* and *An Actor's Work on Himself*. This handsome edition is also comprehensively annotated and fully illustrated.

Assignment Russia - Marvin Kalb 2021-04-13

A personal journey through some of the darkest moments of the cold war and the early days of television news Marvin Kalb, the award-winning journalist who has written extensively about the world he reported on during his long career, now turns his eye on the young man who became that journalist. Chosen by legendary broadcaster Edward R. Murrow to become one of what came to be known as the Murrow Boys, Kalb in this newest volume of his memoirs takes readers back to his first days as a journalist, and what also were the first days of broadcast news. Kalb captures the excitement of being present at the creation of a whole new way of bringing news immediately to the public. And what news. Cold War tensions were high between Eisenhower's America and Khrushchev's Soviet Union. Kalb is at the center, occupying a unique spot as a student of Russia tasked with explaining Moscow to Washington and the American public. He joins a cast of legendary figures along the way, from Murrow himself to Eric Severeid, Howard K. Smith, Richard Hottelet, Charles Kuralt, and Daniel Schorr among many others. He finds himself assigned as Moscow correspondent of CBS News just as the U2 incident—the downing of a US spy plane over Russian territory—is unfolding. As readers of his first volume, *The Year I Was Peter the Great*, will recall, being the right person, in the right place, at the right time found Kalb face to face with Khrushchev. Assignment Russia sees Kalb once again an eyewitness to history—and a writer and analyst who has helped shape the first draft of that history.

Tear Off the Masks! - Sheila Fitzpatrick 2005-07-05

When revolutions happen, they change the rules of everyday life--both the codified rules concerning the social and legal classifications of citizens and the unwritten rules about how individuals present themselves to others. This occurred in Russia after the Bolshevik Revolution of 1917, which laid the foundations of the Soviet state, and again in 1991, when that state collapsed. *Tear Off the Masks!* is about the remaking of identities in these times of upheaval. Sheila Fitzpatrick here brings together in a single volume years of distinguished work on how individuals literally constructed their autobiographies, defended them under challenge, attempted to edit the "file-selves" created by bureaucratic identity documentation, and denounced others for "masking" their true social identities. Marxist class-identity labels--

"worker," "peasant," "intelligentsia," "bourgeois"--were of crucial importance to the Soviet state in the 1920s and 1930s, but it turned out that the determination of a person's class was much more complicated than anyone expected. This in turn left considerable scope for individual creativity and manipulation. Outright imposters, both criminal and political, also make their appearance in this book. The final chapter describes how, after decades of struggle to construct good Soviet socialist personae, Russians had to struggle to make themselves fit for the new, post-Soviet world in the 1990s--by "de-Sovietizing" themselves. Engaging in style and replete with colorful detail and characters drawn from a wealth of sources, *Tear Off the Masks!* offers unique insight into the elusive forms of self-presentation, masking, and unmasking that made up Soviet citizenship and continue to resonate in the post-Soviet world.

Fight the Power - Eric Leif Davin 2008-11-12

Eric Leif DaVietnamesen was raised as a Southern Baptist and Mormon convert, although he was always a non-believer. However, like everyone else in his blue collar surroundings, he believed in America, the military, anti-Communism, and, although too young to vote, Senator Barry Goldwater when he ran for president in 1964. Then, in the Sixties, he went to college and became swept up in the movements of the times. He came to realize that everything he'd believed about "his war," the Vietnameseetnam War, was wrong. He came to believe that we were more than just on the "wrong side." We were the wrong side. Eventually he was drafted. However, he refused induction into the military, preferring to face five years in prison, the maximum sentence, rather than fight in an immoral war. This memoir describes his journey through the Sixties, from a working class gung-ho Goldwater Republican supporter of the Vietnameseetnam War to a radicalized anti-war actiVietnamesest who was eventually drafted to fight in that war -- but refused to go.

The Appeal - Janice Hallett 2022-11

"Welcome to Lockwood, proud home of The Fairway Players, who, under the creative control of Martin Hayward, the owner of the local country club, are putting on a production of Arthur Miller's "All My Sons." The star, as always: Martin's wife, Helen, the only person in the troupe with any real acting talent. But this is not a production like any other: just as rehearsals get under way, tragedy strikes: Poppy Reswick, Martin and Helen's beloved granddaughter, is diagnosed with a rare form of cancer. An experimental treatment is available from the US - at a massive cost. The Players and the entire town rally in order to raise the 250,000 pounds needed to give Poppy a chance at survival. Not everybody is

convinced that the experimental treatment is all it's cracked up to be, however. First among the doubters is Sam Greenwood, who has only recently moved to Lockwood with her husband, Kel, after spending several years as an NGO worker in Sub-Saharan Africa. Are her suspicions justified? Or does she merely have an axe to grind with the doctor who's looking after Poppy? The tension within the community is palpable, and on the night of the Players' dress rehearsal, things come to a head. The next day, a dead body is found, and soon afterwards, an arrest is made. In the run-up to the trial, two law students find themselves sifting through the evidence in the form of e-mails, texts, and letters, trying to make sense of it all and unmask the real killer"--

New York, My Village: A Novel - Uwem Akpan 2021-11-02

Exuberant storytelling full of wry comedy, dark history, and devastating satire—by the celebrated and original author of the #1 New York Times bestseller, *Say You're One of Them*. From a suspiciously cheap Hell's Kitchen walk-up, Nigerian editor and winner of a Toni Morrison Publishing Fellowship Ekong Udousoro is about to begin the opportunity of a lifetime: to learn the ins and outs of the publishing industry from its incandescent epicenter. While his sophisticated colleagues meet him with kindness and hospitality, he is soon exposed to a colder, ruthlessly commercial underbelly—callous agents, greedy landlords, boorish and hostile neighbors, and, beneath a superficial cosmopolitanism, a bedrock of white cultural superiority and racist assumptions about Africa, its peoples, and worst of all, its food. Reckoning, at the same time, with the

recent history of the devastating and brutal Biafran War, in which Ekong's people were a minority of a minority caught up in the mutual slaughter of majority tribes, Ekong's life in New York becomes a saga of unanticipated strife. The great apartment deal wrangled by his editor turns out to be an illegal sublet crawling with bedbugs. The lights of Times Square slide off the hardened veneer of New Yorkers plowing past the tourists. A collective antagonism toward the "other" consumes Ekong's daily life. Yet in overcoming misunderstandings with his neighbors, Chinese and Latino and African American, and in bonding with his true allies at work and advocating for healing back home, Ekong proves that there is still hope in sharing our stories. Akpan's prose melds humor, tenderness, and pain to explore the myriad ways that tribalisms define life everywhere, from the villages of Nigeria to the villages within New York City. *New York, My Village* is a triumph of storytelling and a testament to the life-sustaining power of community across borders and across boroughs.

Letters to Felice - Franz Kafka 2013-06-26

Franz Kafka first met Felice Bauer in August 1912, at the home of his friend Max Brod. The twenty-five-year-old career woman from Berlin—energetic, down-to-earth, life-affirming—awakened in him a desire to marry. Kafka wrote to Felice almost daily, sometimes even twice a day. Because he was living in Prague and she in Berlin, their letters became their sole source of knowledge of each other. But soon after their engagement in 1914, Kafka began having doubts about the relationship, fearing that marriage would imperil his dedication to writing and interfere with his need for solitude. Through their break-up, a second engagement in 1917, and their final parting later that year, when Kafka began falling ill with the tuberculosis that would eventually claim his life, their correspondence continued. The more than five hundred letters that Kafka wrote to Felice over the course of those five years were acquired by Schocken from her in 1955. They reveal the full measure of Kafka's inner turmoil as he tried, in vain, to balance his need for stability with the demands of his craft. "These letters are indispensable for anyone seeking a more intimate knowledge of Kafka and his fragmented world." —Library Journal
