The Spiritual Journey of Alejandro Jodorowsky - Alejandro Jodorowsky 2008-05-27
Jodorowsky's memoirs of his experiences with Master Takata and the group of wisewomen--magiciennes--who influenced his spiritual growth • Reveals Jodorowsky turning the same unsparing spiritual vision seen in El Topo to his own spiritual quest • Shows how the author's spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970, John Lennon introduced to the world Alejandro Jodorowsky and the movie, El Topo, that he wrote, starred in, and directed. The movie and its author instantly became a counterculture icon. The New York Times said the film "demands to be seen," and Newsweek called it "An Extraordinary Movie!" But that was only the beginning of the story and the controversy of El Topo, and the journey of its brilliant creator. His spiritual quest began with the Japanese master Ejo Takata, the man who introduced him to the practice of meditation, Zen Buddhism, and the wisdom of the koans. Yet in this autobiographical account of his spiritual journey, Jodorowsky reveals that it was a small

group of wisewomen, far removed from the world of Buddhism, who initiated him and taught him how to put the wisdom he had learned from his master into practice. At the direction of Takata, Jodorowsky became a student of the surrealist painter Leonora Carrington, thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts. These women included Doña Magdalena, who taught him "initiatic" or spiritual massage; the powerful Mexican actress known as La Tigresa (the "tigress"); and Reyna D'Assia, daughter of the famed spiritual teacher G. I. Gurdjieff. Other important wisewomen on Jodorowsky's spiritual path include María Sabina, the priestess of the sacred mushrooms; the healer Pachita; and the Chilean singer Violeta Parra. The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment.

Transcending the Levels of Consciousness - David R. Hawkins, M.D., Ph.D. 2015-03-17

The now widely known Map of calibrated levels of Consciousness was presented in Power vs. Force in 1995 and has been translated into all the world's major languages. This was followed by The Eye of the I (2001), I: Reality and Subjectivity (2003), and Truth vs. Falsehood (2005), which explored the levels of Truth reflected throughout society. Transcending the Levels of Consciousness returns to the exploration of the ego's expressions and inherent limitations and gives detailed explanations and instructions on how to transcend them. As with the reading of Dr. Hawkins' previous books, the reader's level of consciousness is advanced as a consequence of exposure to the information itself. This opens up avenues to the relief of suffering for oneself and others, which fulfills the purpose of the work and the intention to facilitate the reader's own Enlightenment.

To the Power of One - Philip S. Berg 1990-12-31

Reflecting on forty years of matrimony, John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. Even in the days when people commonly stayed married "'til death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more true in our casual times. Though personal selfishness and cultural bondage obstruct the wonder of God's purpose, it is found in God's Word, where his design can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains in reflecting on forty years of matrimony: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about

being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping covenant and putting the glory of Christ's covenant-keeping love on display." This Momentary Marriage unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

Messiaen's Musical Techniques: The Composer's View and Beyond
- Dr Gareth Healey 2013-05-28

Despite Messiaen's position as one of the greatest technical innovators of the twentieth century, his musical language has not been comprehensively defined and investigated. The composer's 1944 theoretical study, *The Technique of My Musical Language*, expounds only its initial stages, and while his posthumously published *Traité de rythme, de couleur, et d'ornithologie* contains detailed explanations of selected techniques, in most cases the reader is left to define these more precisely by observing them in the context of Messiaen's analyses of his own works. Technical processes are nevertheless in many cases the primary components of a work or movement. For instance, personages dominate 'Joie du sang des étoiles' from the *Turangalîla-symphonie*, and in certain cases, such as 'L'échange' from the *Vingt regards sur l'Enfant-Jésus*, the process (asymmetric augmentation) is the only structuring element present. Given this reliance on idiosyncratic techniques, clear comprehension of the music is impossible without a detailed knowledge of Messiaen's methods. Gareth Healey charts their development and interconnections, considers their relationship with formal structures, and applies them in refined and extended form to works for which Messiaen himself left no published analysis.
