[Zen and Japanese Culture](#) - Daisetz Teitaro Suzuki 1970

One of this century's leading works on Zen, this book is a valuable source for those wishing to understand its concepts in the context of Japanese life and art. In simple, often poetic, language, Daisetz Suzuki describes what Zen is, how it evolved, and how its emphasis on primitive simplicity and self-effacement have helped to shape an aesthetics found throughout Japanese culture. He explores the surprising role of Zen in the philosophy of the samurai, and subtly portrays the relationship between Zen and swordsmanship, haiku, tea ceremonies, and the Japanese love of nature. Suzuki's contemplative discussion is enhanced by anecdotes, poetry, and illustrations showing silk screens, calligraphy, and examples of architecture.

The Akashic Experience - Ervin Laszlo 2009-02-12

Firsthand testimonies by 20 leaders in culture and science of their interactions with the Akashic field • Provides important evidence for the authenticity of nonmaterial contact that human beings have with each other and with the cosmos • Demonstrates that the increasing frequency and intensity of these experiences is evidence of a widespread spiritual resurgence • Includes contributions by Alex Grey, Stanislav Grof, Stanley Krippner, Swami Kriyananda, Edgar Mitchell, and others Knowing or feeling that we are all connected to each other and to the cosmos by more than our eyes and ears is not a new notion but one as old as humanity. Traditional indigenous societies were fully aware of nonmaterial connections and incorporated them into their daily life. The modern world, however, continues to dismiss and even deny these intangible links--taking as real only that which is physically manifest or proved "scientifically." Consequently our mainstream culture is spiritually impoverished, and the world we live in has become disenchanting. In *The Akashic Experience*, 20 leading authorities in fields such as psychiatry, physics, philosophy, anthropology, natural healing, near death experience, and spirituality offer firsthand accounts of interactions with a cosmic memory field that can transmit information to people without having to go through the senses. Their experiences with the Akashic field are now validated and supported by evidence from cutting-edge sciences that shows that there is a cosmic memory field that contains all information--past, present, and future. The increasing frequency and intensity of these Akashic experiences are an integral part of a large-scale spiritual resurgence and evolution of human consciousness that is under way today.

Children of Dune - Frank Herbert 2008-06-03

Book Three in the Magnificent Dune Chronicles—the Bestselling Science Fiction Adventure of All Time The Children of Dune are twin siblings Leto and Ghanima Atreides, whose father, the Emperor Paul Muad'Dib, disappeared in the desert wastelands of Arrakis nine years ago. Like their father, the twins possess supernatural abilities—making them valuable to their manipulative aunt Alia, who rules the Empire in the name of House Atreides. Facing treason and rebellion on two fronts, Alia's rule is not absolute. The displaced House Corrino is plotting to regain the throne while the fanatical Fremen are being provoked into open revolt by the enigmatic figure known only as The Preacher. Alia believes that by obtaining the secrets of the twins' prophetic visions, she can maintain control over her dynasty. But Leto and Ghanima have their own plans for

their visions—and their destinies....

Mea Cuba - Guillermo Cabrena Infante 1995-10-31

"Quirky, unpredictable, often hilarious, Infante's book tells us much about the effect of the Cuban revolution on Cuban literature." - Publishers Weekly With bitter irony, the author tells a story sadly repeated during this century. A dictatorship that silences the intellectuals, a regime that lies and kills, and a propaganda war that has yet to end. One of the best compilations of documents on recent Cuban history.

[The Secret Crypt](#) - Salvador Elizondo 2023-01-31

Originally published in 1968, *The Secret Crypt* is something of a cult classic in Mexican literature. Elizondo's impassioned, breathless prose launches the reader into a labyrinth that is also a hall of mirrors. Here, we find a small group of characters who are part of an underground sect called Urkreis, one of whose aims is to discover the identity of the sect's founder, known only as "the Imagined." The identities of narrator, author, and characters blur into one another as the narrative moves between the two worlds of the novel and the author writing the novel—an unclassifiable masterpiece containing initiation rites, sacrificial murder, conspiracy, and delirium.

Lobela - Justo Bolekia Boleka 2015-02-05

Lobela is the first volume of poetry written by Justo Bolekia Boleka, poet, author, and linguist. In these poems, Boleka expresses his connection to his native land, Equatorial Guinea, the only nation in Sub-Saharan

Africa whose language of colonization is Spanish. Gods, goddesses, adoration of elders, customs, longing for a lost land, and lost way of life are all part of these poetic expressions. Originally in Spanish, replete with songs, expressions, chants, and cadences from his native Bubi language, English readers will now have access to these expressions in this bi-lingual edition.

The Tao of Psychology - Jean Shinoda Bolen 1982

Examines coincidental events that individuals find significant, but which cannot be rationally explained, suggesting ways of using the resulting feelings of universal unity in Jungian therapies and Taoist introspection

Picasso Ibero - 2021-09-07

Picasso in dialogue with the Iberian holdings of the Louvre Although he spent most of his adult life in France, painter Pablo Picasso (1881-1973) never denied the artistic influence that his upbringing in Spain imparted upon him. Of particular significance was the art and culture of the Iberian Peninsula where he had been born and later lived as a young man, though it was likely that his first real encounter with Iberian art took place at the Louvre in France. This volume accompanies a curatorial collaboration between the Centro Botín in Spain and the Musée Picasso-Paris in France that explores Picasso's relationship with Iberian art on an unprecedented scale. The book demonstrates this rich connection by comparing works by Picasso with masterpieces from the Louvre's Iberian collection and major Spanish archaeological museums. Further context provided by the world's leading experts in Iberian art conveys the depth of Picasso's cultural and artistic dialogue with his birthplace.

The Day of the Rabblement - James Joyce 1957

Age of discrepancies - Olivier Debroise 2006

"The first exhibition to offer a critical assessment of the artistic experimentation that took place in Mexico during the last three decades of the twentieth century. The exhibition carefully analyzes the origins and emergence of techniques, strategies, and modes of operation at a particularly significant moment of Mexican history, beginning with the 1968 Student Movement, until the Zapatista uprising in the State of Chiapas. The show includes work by a wide range of artists, including Francis Alys, Vicente Rojo, Jimmie Durham, Helen Escobedo, Julio Galán, Felipe Ehrenberg, José Bedia, Guillermo Gómez-Peña, Francisco Toledo, Carlos Amorales, Melanie Smith, and Alejandro Jodorowsky, among many others. The edition is illustrated with 612 full-color plates of the art produced during these last three decades of the twentieth century reflect the social, political and technical developments in Mexico and ranged from painting and photography to poster design, installation, performance, experimental theatre, super-8 cinema, video, music, poetry and popular culture like the films and ephemeral actions of 'Panic' by Alejandro Jodorowsky, Pedro Friedeberg's pop art, the conceptual art, infrarealists and urban independent photography, artists books, the development of contemporary political photography, the participation of Mexican artists in Fluxus in the seventies and the contribution of Ulises Carrión to the international artist book movement and popular rock music, the pictorial battles of the eighties and the emergence of a variant of neo-conceptual art in 1990. The exhibition is curated by Olivier Debroise, Pilar García de Germenos, Cuauhtémoc Medina, Álvaro Vázquez Mantecón"-- Provided by vendor.

Lilli the Witch at Vampire Castle - Knister 2004

Oblivion - Héctor Abad 2012-04-24

Oblivion is a heartbreaking, exquisitely written memorial to the author's father, Héctor Abad Gómez, whose criticism of the Colombian regime led to his murder by paramilitaries in 1987. Twenty years in the writing, it paints an unforgettable picture of a man who followed his conscience and paid for it with his life during one of the darkest periods in Latin America's recent history.

Letters From Father Christmas - J.R.R. Tolkien 2012-02-15

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North

Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

Rumi - Jonathan Star 2008-12-26

Landmark translations of the Sufi poet/mystic Rumi from the acclaimed interpreter of the Tao Te Ching. Jonathan Star has assembled selections of Rumi's verse in a treasury that spans the poet's life and includes his most celebrated and poignant work. It is an enchanting volume of classic Eastern thought that creates an exhilarating experience for all readers.

All the Wind in the World - Samantha Mabry 2017-10-10

Working in the maguey fields of the Southwest, Sarah Jac and James are in love but forced to start over on a ranch that is possibly cursed where the delicate balance in their relationship begins to give way.

Growing Up Creative - Teresa Amabile 1989

A myth-shattering how-to by the established authority in the field that proves creativity must originate from within the child and shows parents and teachers how to help foster it.

Haiku Mandala - Olena BECKETT 2019-09-27

¿Qué es haiku? El haiku es un tipo de poesía japonesa que consiste en un poema breve de diecisiete sílabas, escrito en tres versos de cinco, siete y cinco sílabas respectivamente. Generalmente se basa en el asombro y la emoción que produce en el poeta la contemplación ante la realidad (tradicionalmente en un espacio de pura naturaleza). Personalmente, adapté la temática con libre elección. ¿Qué es mandala? El término sánscrito mandala significa círculo y en el budismo representa la evolución del universo respecto a un punto central. Para mí, son expresiones del alma y en este libro de haikus y mandalas fusioné dos artes para leer, agudizar vista y mente y dar color a la fuerza vital del espíritu animal que llevas dentro. Hay 33 haikus con sus respectivos mandalas. En cada mandala hay pintado un animal geométrico que se corresponde con el título del poema que acompaña. Al final del libro están todas las soluciones. Al ser una autopublicación recomiendo usar lápices de colores para no traspasar el papel. Lee, juega, colorea y descubre tu animal de poder.

The Ikigai Journey - Hector Garcia 2020-06-23

In *The Ikigai Journey*, authors Hector Garcia and Francesc Miralles take their international bestseller *Ikigai: the Japanese Secret to a Long and Happy Life* a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that--acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1--Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2--Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3--Journey Through the Present: Ise (an ancient shrine that is destroyed and

rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians--many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

Rough Song - Blanca Varela 2020-10-15

Poetry. Latinx Studies. Women's Studies. Translated by Carlos Lara. It's hard to believe that the books of Blanca Varela (1926-2009), considered one of Peru's greatest poets, as well as the first woman to win the Federico García Lorca International Poetry Prize, have not been translated into English until now. Originally published in Spanish in 1978, this new publication of ROUGH SONG, heralds the long overdue introduction of a major Latin American poet to English-language readers. Born into a family known for advancing art in Latin America, Varela lived briefly in Paris in the late '40s and '50s where she quickly became friends with Andre Breton, Jean-Paul Sartre, Henri Michaux, Simone de Beauvoir, Alberto Giacometti, and in particular, Octavio Paz, who called Varela "the most secret, timid and natural of them all." Returning to Lima in the '60s, she established herself as one of Peru's key literary intelligentsia. The poems in ROUGH SONG, these "flowers for the ear," range wildly in form, from two lines to seven pages long, and each presents a world of intense precision in language, fully conscious of reality and its metaphysical limits--"yes / the dark matter / animated by your hand / it's me." Varela's deceptively simple poems hold a mysteriously delicate weight far beyond their length. A formidable voice in Latin American literature, Blanca Varela is destined to inspire awe and summon new readers for years to come. "These haunting songs unfold with the mysterious precision of fractals, bending their interiors into pliant, living forms. As I get to know Blanca Varela's work, in Carlos Lara's beautiful translation from the Spanish, my ear becomes attuned to the smallest moving gradations, the spider that 'doesn't dare descend one / more millimeter toward the ground,' a surrealism I associate with Alejandra Pizarnik, Henri Michaux, and I'm so grateful to have come to it."--Alexis Almeida "What a surprise to find in the work of this mid-century Peruvian poet a mind and style that so resonate with my own. Varela's poems are almost violent in their suddenness, their brevity. Unsentimental and often bleak, they are always surprising. Discovering her enlarges my picture of the world."--Rae Armantrout "In ROUGH SONG, Blanca Varela uses language to create 'on the empty plate' and cuts reality open. Originally written in the '70s, this work remains both unpredictable and surprising. In these pages she condenses and transmutes the world into text and texture so that what emerges is legible and sharp. Here 'the word / slithering / will be your footprint.' Let us follow."--Gabriela Jauregui

Lost Ocean - Johanna Basford 2015-10-27

Zen in the Art of Archery - Herrigel Eugen 2021-04

A fascinating introduction to Zen principles and learning.

Triangles of Light - James Hoggard 2009-06-01

Conjuring the voice of Edward Hopper, this powerful collection of poetry investigates the mind of an iconic American painter. Lyrical and beautifully crafted, the poems convey both frightening and amusing messages as "Hopper" commentates on his own paintings--from the iconic "Nighthawks" to his depiction of his wife and himself taking a final bow in "Two Comedians"--as well as those of other artists. Shocking in their honesty, these poems also provide a window into the American Modernist period due to their biographical nature and evaluations of the visual arts.

Medical Art Therapy with Children - Cathy A. Malchiodi 1999

Drawing on case material from a variety of situations, the book describes medical research on medical art therapy with children, and practical approaches to using art activities with them. The text looks at children with burns, HIV, asthma and cancer.

Zen Painting - Yasuichi Awakawa 1977

This work is the first to deal with Zen painting comprehensively as a category of art in its own right. It includes a wide range of styles, extending from comparatively conventional Chinese-style landscapes, via

works such as Sesshu's "Haboku Landscape", to the incredibly modern lines, circles, and freely drawn figures of Hakuin, Sengai and the later artists. In this sense, the book is an intriguing guide to the magnificently varied effects that can be achieved using the simple medium of brush and Chinese ink.

The Spiritual Journey of Alejandro Jodorowsky - Alejandro Jodorowsky 2008-05-27

Jodorowsky's memoirs of his experiences with Master Takata and the group of wisewomen--magiciennes--who influenced his spiritual growth • Reveals Jodorowsky turning the same unsparing spiritual vision seen in El Topo to his own spiritual quest • Shows how the author's spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970, John Lennon introduced to the world Alejandro Jodorowsky and the movie, El Topo, that he wrote, starred in, and directed. The movie and its author instantly became a counterculture icon. The New York Times said the film "demands to be seen," and Newsweek called it "An Extraordinary Movie!" But that was only the beginning of the story and the controversy of El Topo, and the journey of its brilliant creator. His spiritual quest began with the Japanese master Ejo Takata, the man who introduced him to the practice of meditation, Zen Buddhism, and the wisdom of the koans. Yet in this autobiographical account of his spiritual journey, Jodorowsky reveals that it was a small group of wisewomen, far removed from the world of Buddhism, who initiated him and taught him how to put the wisdom he had learned from his master into practice. At the direction of Takata, Jodorowsky became a student of the surrealist painter Leonora Carrington, thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts. These women included Doña Magdalena, who taught him "initiatic" or spiritual massage; the powerful Mexican actress known as La Tigresa (the "tigress"); and Reyna D'Assia, daughter of the famed spiritual teacher G. I. Gurdjieff. Other important wisewomen on Jodorowsky's spiritual path include María Sabina, the priestess of the sacred mushrooms; the healer Pachita; and the Chilean singer Violeta Parra. The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment.

Last Night I Dreamt I Was a DJ - Frank Baez 2014-11-20

Miami, FL's Jai-Alai Books proudly presents, Last Night I Dreamt I Was a DJ (2014), Frank Bez's debut volume of poetry in English, translated by P. Scott Cunningham and Hoyt Rogers. A former resident of Chicago, Bez's poetry highlights the deep connections between the United States and the Dominican Republic. He celebrates the lyrical possibilities of Santo Domingo, while also lamenting its systemic failures. He delights in the cultural influence of the United States, while also recognizing the failed exportation of the American dream. Most of all, though, Bez's poems are funny. They laugh at the spectacle of their creator and his struggle to exist as a poet in world hostile to poetry, and they dare to talk back to capitalism with the voices of the voiceless: the poor, working class people haunting the streets of Santo Domingo "like a new Night of the Living Dead sequel."
