The Inner Structure of Tai Chi - Mantak Chia 2005-12-15

Explores the deep, internal work necessary for the effective practice of tai chi • Reveals the Taoist principles that gave birth to the Yang-style tai chi forms • Shows how tai chi can circulate powerful healing energies through the body Taoist adepts developed tai chi as both a martial art and a way to cultivate their physical body, energy body, and spirit body. Like all Taoist exercises, its main purpose is to form a connection to the basic energy that is the foundation of all life: chi. Until the beginning of the twentieth century, tai chi was considered a secret practice that was passed down only within a closely knit structure of family and loyal disciples. Despite its widespread growth in popularity as a martial art and health exercise, many of its underlying internal practices remain unknown. The Inner Structure of Tai Chi explores the deep, internal work necessary for the effective practice of tai chi. Designed for practitioners at every level, the book contains step-by-step illustrated instructions for mastering the 13 forms of early Yang-style tai chi, also known as Tai Chi Chi Kung. The authors demonstrate the relationship of the inner structure of tai chi to the absorption, transformation, and circulation of the three forces that animate all life--the Universal force, the Cosmic force, and the Earth force--revealing the principles and practices necessary to receive the full spectrum of physical, psychological, and spiritual benefits that tai chi can bring.

Healing Love through the Tao - Mantak Chia 2005-07-15

A new edition of the bestseller • The first book to reveal in the West the Taoist techniques that enable women to cultivate and enhance their sexual energy • Reveals Taoist secrets for shortening menstruation, reducing cramps, and compressing more chi into the ovaries for greater sexual power • Teaches the practice of total body orgasm For thousands of years the sexual principles and techniques presented here were taught by Taoist masters in secret only to a small number of people (sworn to silence), in the royal courts and esoteric circles of China. This is the first book to make this ancient knowledge available to the West. The foundation of healing love is the cultivation, transformation, and circulation of sexual energy, known as jing. Jing energy is creative, generative

energy that is vital for the development of chi (vital life-force energy) and shen (spiritual energy), which enables higher practices of spiritual development. Jing is produced in the sexual organs, and it is energy women lose continually through menstruation and child bearing. Mantak Chia teaches powerful techniques developed by Taoist masters for the conservation of jing and how it is used to revitalize women's physical, mental, and spiritual well-being. Among the many benefits conferred by these practices are a reduction in the discomfort caused by menstruation and the ability to attain full-body orgasm.

They reveal how to discover your levels of success, wealth, and power; how your astrological strengths will manifest; and how to understand your relationships with partners, friends, and family. They also explain how to use your chart to calculate your organ health and annual luck cycles. The authors show how to use Inner Alchemy techniques, such as color therapy and feng shui, and Universal Healing Tao exercises, such as the Healing Sounds and Chi Kung, to harmonize and strengthen the inborn imbalances and weaknesses in your chart. This hands-on method of astrology allows you to take control of your health and destiny by connecting your personal energy with the energies of the cosmos.

The Tapping Solution - Nick Ortner 2013-04-02

Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of The Tapping Solution, is at the forefront of a new healing movement. In his upcoming book, The Tapping Solution, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the

emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

practices that use the eight forces of the pakua (bagwa) to collect, gather, and condense chi in the body • Explains how to balance negative emotional energy with positive energy to detoxify, nourish, and integrate the physical and the energy body with the forces of nature • Shows how to collect and channel the greater energies of the stars and planets to create unity between what is above and below Cosmic Fusion is an advanced level of Inner Alchemy that teaches how to bring the physical body into balance with the energy body--a necessary prerequisite for the formation of the universal body, the pearl of compassion that is one with Original Creation and the Universal Tao. Cosmic Fusion works with the expression of the eight pakua (bagwa) of Chinese cosmology, through which all creation is divided and given form, nature, and definition. Cosmic Fusion exercises establish the spiritual body firmly in the lower abdomen, where chi energy is gathered and distributed to all parts of the body--and into all creation. The fully illustrated exercises in this book also show how to collect and channel the greater energies of the stars and planets. By "fusing" all these different energies together, a harmonious whole is created, a unity of what is above and below. As heavenly and earthly forces are brought into balance, the life perfectly suited to the practitioner manifests, allowing the spirit body to prepare to move into worlds beyond--and back.

Elements is the necessary first step in the Taoist practice of Inner Alchemy, in which one learns to control the generation and flow of emotional, mental, and physical energies within the body. It is a series of meditations designed to locate and dissolve negative energies trapped inside the body by making a connection between the five outer senses (experienced through the ears, eyes, nose, mouth, and tongue) and the five major negative emotions (anger, hate, worry, sadness, and fear). When the body is cleared of negative energy, universal chi energy flows freely and productively, nourishing both body and soul. The practice is divided into two parts. The first works with controlling the forces of the five elements on the five major organs of the body by learning the elements' effects upon each other and how to balance and utilize these energies properly. The advanced Fusion exercises then show how to channel the greater energies of the stars and planets to strengthen internal weaknesses and crystallize positive energy. White Tigress Green Dragon - Hsi Lai 2015-09-09

The modern perspective on sexuality is almost exclusively focused on procreational and recreational sex. Little attention has been given to the ancient Asian perspectives on the more profound restorative and transformative (spiritual) benefits of sexuality. This challenging material will definitely bring about a rethinking of sexual purpose and conduct. "White Tigress" refers to a female who follows the natural workings and forces of her sexuality to achieve beauty, youthfulness, longevity, and immortality. Her sexual practices all derive from teachings passed down through various consorts and female Taoist nuns and immortaleses. "Green Dragon" refers to the male surrogate sexual partners of a White Tigress, who provide her with heightened sexual energy and passion. A Green Dragon can also be a co-cultivator in a Tigress's practice, helping her engage in the deeper transformational practices so that they both can achieve restoration and illumination of body and spirit. The White Tigress and Green Dragon sexual-spiritual practices and philosophy revitalize sexual passion and compassion, demonstrating that there is much to learn about sexual energy and how it can greatly benefit the body and mind.

Healing Light of the Tao - Mantak Chia 2008-05-27

The guide to engaging and directing the three primordial forces of Earth, Heaven, and Higher Self to achieve enlightenment and immortality • Explains how to circulate the life force, or chi, by balancing yang (male) and yin (female) currents of bioenergy • Includes an overview of the complete Taoist body/mind/spirit system along with newly refined methods of activating the life force • The sequel to the classic Awaken Healing Energy Through the Tao In 1983, Mantak Chia introduced the "Microcosmic Orbit" to the West. Prior to that time, most of the Eastern energy practices transmitted to the West were incomplete, dealing only with the ascending yang/masculine channel, which shoots life-force energy up the spine. The Microcosmic Orbit showed practitioners how to establish the descending yin/feminine channel of the life-force energy loop. Within Taoist systems, cultivating feminine energy has always been seen as the key to gaining balance and wholeness. Healing Light of the Tao presents the more advanced methods of chi cultivation in the Microcosmic Orbit, offering a full understanding of Taoist spiritual theory through its comprehensive overview of the complete Taoist body/mind/spirit system. The book also includes more advanced meditation methods for absorbing the higher frequencies of Earth Force, Cosmic Force, and Universal Force (Heavenly chi) into the basic orbit. It establishes a spiritual science that not only emphasizes practical benefits to health, sexual vitality, and emotional balance, but also shows how changes made in the energy body can lead to physical rejuvenation that the Taoists called immortality.

The Sexual Teachings of the White Tigress - Hsi Lai 2001-08-01

• Reveals how the sexual practices of the White Tigress can preserve and restore a

woman's physical youthfulness and mental energy. • The first modern guide to White Tigress techniques, the only sexual teachings exclusively for women. • Reveals for the first time in English the hidden teachings of immortal Hsi Wang Mu, a White Tigress from 3,000 years ago. • Provides Western medical correlations to substantiate White Tigress practices. White Tigress women undertake disciplined sexual and spiritual practices to maintain their beauty and youthfulness, realize their full feminine potential, and achieve immortality. Revealed here for the first time in English are the secrets of the White Tigress that have all but disappeared from the world. Under the guidance of Madame Lin, the matriarch of a distinguished White Tigress lineage still in existence in Taiwan, Hsi Lai was given the privilege to study these practices and record them from a modern perspective so they will be forever preserved. The vast majority of Taoist texts on alchemy, meditation, and sexuality are directed at male practitioners. The Sexual Teachings of the White Tigress presents traditions that focus on women, traditions that stem from a long line of courtesans and female Taoists. Translations of the ancient teachings from a rare White Tigress manual dating back 3,000 years explain the sexual and spiritual refinement of ching (sexual energy), chi (vital energy), and shen (consciousness)--the Three Treasures of Taoism--the secret to unlocking eternal youthfulness and immortality.

The Alchemy of Sexual Energy - Mantak Chia 2009-12-23

Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our sexual energy to be the creative force that we can use to regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. The Alchemy of Sexual Energy builds upon Microcosmic Orbit practices discussed in Healing Light of the Tao. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe. By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.
