Watch Me - Jody Gehrman
2018-01-23

"Riveting, chilling, and page-turning. Be prepared to stay up all night." -- New York Times bestselling author Lisa Scottoline For fans of dark and twisty psychological thrillers, *Watch Me* is a riveting novel of suspense about how far obsession can go. Kate Youngblood is disappearing. Muddling through her late 30s as a creative writing professor at Blackwood college, she's dangerously close to never being noticed again. The follow-

up novel to her successful debut tanked. Her husband left her for a woman ten years younger. She's always been bright, beautiful, independent and a little wild, but now her glow is starting to vanish. She's heading into an age where her eyes are less blue, her charm worn out, and soon no one will ever truly look at her, want to know her, again. Except one. Sam Grist is Kate's most promising student. An unflinching writer with razor-sharp clarity who gravitates towards dark themes and twisted plots, his raw talent is something Kate wants to nurture into literary success. But he's not there solely to be the best writer. He's been watching her. Wanting her. Working his way to her for years. As Sam slowly makes his way into Kate's life, they enter a deadly web of dangerous lies and forbidden desire. But how far will his fixation go? And how far will she allow it? A gripping novel exploring intense obsession and illicit attraction, Jody Gehrman introduces a world where what you desire

most may be the most dangerous thing of all.

You're not who you say you are.

Neither is she. She thinks she

knows me. She believes my

marriage is falling apart at the

seams, that my husband can

barely look me in the eyes. She

thinks I'm desperate for a baby,

that my longing for a family

keeps me up at night. As much

as I hate to admit it, all of this is

true. She thinks I listen to her

advice, that I care about her

opinion. That couldn't be

further from the truth. Because

she has no idea who I am. She

has no clue that I know

everything. I know her secret. I

know that she did the

unforgivable. I know how many

lives she ruined. I know exactly what she did. And I'm here for her. She clutches his small, limp body, frozen, until a pair of strong hands push her aside, and she watches as George, a local doctor, saves her son's life. When he invites her to move into his beautiful home with its sprawling garden for her boys, Darcy doesn't hesitate. But as Darcy is settling in, she receives a bunch of flowers with a chilling message. George says they're

from an obsessed ex-girlfriend, Opal, and days later Opal turns up at Darcy's son's football match. She claims to have shocking information that could threaten George's custody of his daughter.
