The beautiful brunette stole Vicky's breath away, and she found herself immediately transfixed by the bubbly youth. Vicky had always known she could be attracted to women... but this was something else. Her attraction to Rachelle was so strong it left her a confused mess. What was happening to her? And why now? The woman is gentle and supportive, and Christina starts to think about Sandra in a different way. She daydreams about the tall woman's toned, beautiful legs, about that pretty smile, and those full lips. As time passes, and Christina and Sandra spend more time together, Christina realizes she's falling... hard. How could she be falling in love with another woman? Why was she changing now? And would Sandra feel the same way? * Smell of Her I knew it was a mistake... to tell her. To tell her I loved her. We were just friends with benefits. She didn't have those feelings for me. To her, beautiful, stunning, sexy Alicia, we were just fooling around. But I told her anyway. I don't know why I did. I knew I'd get hurt. I knew she couldn't possibly be in love with me, too. There are two rules: Never fall for a straight girl, and never fall for your friend. I'd broken rule number two. Serves me right. I walked out of her room biting back the tears, thinking how foolish I was. Until I heard her call my name. And then something amazing happened... She told me she loved me, too.

Love and Fidelity - Joselyn Krimbell 2016-12-28
Becoming childhood sweethearts - it was the best way to fall in love. There was only purity, innocence, and hopefulness in that kind of relationship. For Henry Zhang and Amanda Smith, that was their reality. They moved from one stage

of life to another together - from graduating high school and university to learning to manoeuvre life in their twenties. Marriage was only a matter of 'when' not 'if'. After a year of marriage, Henry was forced to move to New York for an offer he couldn't resist. With the long-distance relationship, cracks in their marriage started to surface.

Everyone said 'love was enough', but was it really? Childhood sweethearts - it was the best way to fall in love. But can two people really spend their entire lives together forever? After a fifteen-year relationship, Amanda Smith and Henry Zhang were finally divorced. Living on opposite coasts, the two learned and experienced what life was after divorce. For Amanda, being a single mother couldn't be better. It was tiring having to raise an infant, but she had her family and friends there to support her. Even then, nothing was more fulfilling than raising her son and seeing him grow every day. As for Henry Zhang, the divorced life wasn't exactly what he expected. It was worse. His mistakes and sins were finally catching up to him. He was in a relationship with sixteen-year old Martina who was asking for much more than what he could give. Not to mention Martina's mother, Isabella, was making life in the office unbearable for Henry, and he knew it was only a matter of time until he was sacked from his job. When Henry comes back into Amanda's life, old wounds are opened and new problems come up. There's a saying 'love is sweeter the second time around'. Will Amanda and Henry get their 'happily ever after' together or apart? **WARNING: THIS BOOK CONTAINS SOME SEXUAL CONTENT.**

Henry Miller - Robert Ferguson 2012-04-17

Bohemian, egoist and prophet of sensualism, Henry Miller remains to many writers and readers a literary lion. Born in Brooklyn in 1891, son of a tailor of German extraction, Miller would embrace a freewheeling existence that carried him through umpteen jobs and sexual encounters, providing rich source material for the novels he would write. Greenwich Village and Paris in the 1920s offered rich pickings, as did Miller's ten-year affair with Anais Nin. But he was 69 before *Tropic of Cancer* was legally published in the US and made him famous, almost 30 years from its composition and long after his peers had devoured it in contraband French editions. Robert Ferguson reveals Miller as an amalgam of vulnerability and insouciance, who endured thirty years of official opprobrium but won the respect of Orwell, T.S. Eliot and Lawrence Durrell, and readers by the thousand. 'This impressive biography [is] good, dirty fun.' *Observer* 'Engaging and perceptive.'

He entertains his unwanted guest all day, but enough is enough. Jeremy finally draws him a bus ticket out of town! With a sure artistic touch and more than a dose of humor, Peter McCarty cleverly blurs the line between his own drawings and Jeremy's, and in doing so subtly questions the line between reality

and imagination.

The Tudors in Love - Sarah Gristwood 2021-09-23

'One of the most important books to be written about the Tudors in a generation.' Tracy Borman 'A riveting, pacy page-turner... the Tudors as you've never seen them before.' Alison Weir Why did Henry VIII marry six times? Why did Anne Boleyn have to die? Why did Elizabeth I's courtiers hail her as a goddess come to earth? The dramas of courtly love have captivated centuries of readers and dreamers. Yet too often they're dismissed as something existing only in books and song – those old legends of King Arthur and chivalric fantasy. Not so. In this ground-breaking history, Sarah Gristwood reveals the way courtly love made and marred the Tudor dynasty. From Henry VIII declaring himself as the 'loyal and most assured servant' of Anne Boleyn to the poems lavished on Elizabeth I by her suitors, the Tudors re-enacted the roles of the devoted lovers and capricious mistresses first laid out in the romances of medieval literature. The Tudors in Love dissects the codes of love, desire and power, unveiling romantic obsessions that have shaped the history of this nation.

Drawn from journals, this book is an account of a woman's sexual awakening, covering a single momentous year - 1931-32, in Paris, when June fell in love with Henry Miller, undermining her own idealized marriage. The question of the outcome of June Miller's return to Paris dominates her thoughts.

The Descent of Love - Bert Bender 2015-11-16

These authors embraced and incorporated Darwin's theories, insights, and language, creating an increasingly dark and violent view of sexual love in American realist literature. In *The Descent of Love*, Bender carefully rereads the works of William Dean Howells, Henry James, Elizabeth Stuart Phelps, Sarah Orne Jewett, Kate Chopin, Harold Frederic, Charles W. Chesnutt, Edith Wharton, and Ernest Hemingway, teasing from them a startling but utterly convincing preoccupation with questions of sexual selection. Competing for readership as novelists who best grasped the "real" nature of human love, these writers also participated in a heated social debate over racial and sexual differences and the nature of sex itself. Influenced more by *The Descent of Man* than by the *Origin of Species*, Bender's novelists built upon Darwin's anthropological and zoological materials to anatomize their characters' courtship behavior, returning consistently to concerns with physical

beauty, natural dominance, and the power to select a mate.

Except—that means forming a partnership with the very hot, very privileged, very conceited Henry Knightly. He's her polar opposite and pushes all her buttons. When she finds there's more to Henry than his old money and argyle sweaters...it's hard not to like him—a lot. Three engrossing historical novels—in one volume—bring the Plantagenets and the splendor and scheming of twelfth-century Europe to vivid life. In *The Fatal Crown*, set against the seething political intrigues of twelfth-century Europe, two royal heirs surrender to passion as they vie for the most glittering, treacherous prize of all: the English throne. At twenty-five, the widowed Maud must marry once again, this time to fourteen-year-old Geoffrey Plantagenet. But it is with Stephen of Blois, Maud's fiercest rival for the British throne, that the headstrong princess discovers the true meaning of desire. In *Beloved Enemy*, Aquitaine is under the French king's safekeeping, and Eleanor, the Duke of Aquitaine's eldest daughter, knows she must wed Prince Louis in order to insure the future of her beloved duchy. Fiercely independent, filled with untapped desire, the woman who would be queen must provide Louis VII, her monkish husband, with heirs. But it is young Henry of Anjou who catches Eleanor's eye—and sets fire to her heart. And in *Gilded Cages*, Eleanor of Aquitaine and Henry Plantagenet—whose marriage was born of power, politics, and an all-consuming, fiery love—rule a vast kingdom. At first they work to unify and repair their war-torn lands—before being torn apart by intrigue, adultery, and deadly revenge.

Desire and Love in Henry James - David McWhirter 1989-05-04

With painful consistency, Henry James denied his characters the experience of fulfilled love. Yet in the final pages of *The Golden Bowl*, James affirms and celebrates the renewal of Maggie Verver's marriage and the consummation of her passion. McWhirter argues that James' last three novels in fact embody a radical refashioning of his vision.

Hemingway on Love - Robert W. Lewis 2014-08-04

Love was a central theme of Ernest Hemingway's major works. And although his passages on sexual

love and on romantic love may be widely remembered and frequently quoted, says Robert W. Lewis in this scholarly and detailed consideration, Hemingway's later work revealed his ultimate belief that brotherly love was the supreme love of mankind. Eros, Hemingway concluded, was a neutral value, neither good nor bad in itself, but yet capable of complementing agape in giving man pleasure. By examining the forms and essences of the various kinds of love, Hemingway worked out an explanation and tentative solution to the troubles of the human condition. The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages. Hemingway's early work was destructive of romantic love, says Lewis; the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve. By the time he wrote *The Old Man and the Sea*, his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman, man and man, and man and his world.

Longfellow in Love - Edward M. Cifelli 2018-08-07
After four years traveling through Europe and a yearlong romance with Giulia Persiani in Rome, Henry Wadsworth Longfellow came back home in 1829 and fell in love again, this time with Mary Storer Potter, whom he married in 1831. They traveled together to England and Scandinavia in 1834 but their happiness was cut short when she died in 1835. In 1836, traveling in Switzerland, he met the woman who would become the grand passion of his life, 18-year old Fanny Appleton of Boston. But she, a wealthy textile heiress, was not interested in settling down with a Harvard professor. She rebuffed his advances for six years-- then suddenly changed her mind and married him on July 13, 1843. For the next 18 years they were

"America's couple," and Longfellow became America's poet--and then tragedy struck once again. *Another Angel of Love* - Henry K. Ripplinger 2011-08-30

Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have three

months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.
