Sunday Morning Quilts - Amanda Jean Nyberg
2012-03-01

A collection of modern quilting projects you can create with scraps. Are scrap piles wreaking havoc in your sewing space? Not sure what to do with all those tiny bits of gorgeous prints you hate to part with? Modern quilters Amanda Jean Nyberg and Cheryl Arkison share a passion for scraps, and they're here to help you get creative with 16 scrappy quilt projects that include piecing, appliqué, and improvisational work. This book has ideas on how to adapt patterns for your own personal "Sunday morning" style, plus tips for effectively cutting, storing, and organizing your scraps. Your Sunday mornings just got a whole lot cozier! "Sunday Morning Quilts shows you how to use every last scrap of treasured fabric in your collection...The book champions the original ethos behind patchwork—make do and mend...The quilts are bold, bright and clean, and the co-authors actively encourage you to be creative and to come up with your own designs."—Popular Patchwork Magazine

My Knitted Doll - Louise Crowther 2016-10-24
Create twelve dolls and over fifty garments and accessories to dress them in with this wonderful collection, featuring easy-to-follow instructions.

Make an adorable, knitted doll for the little person in your life. Children will love all twelve dolls in this knitting pattern collection which has been designed to provide the perfect playmate. Each doll has their own personality and style—whether it's Faye with her cute bunny ear hat and cozy boots, or Jane with her chic beret and Breton top. There is a doll here to suit everyone. The step-by-step instructions show you how to make the twelve individual dolls, but you could also mix and match the outfits, hairstyles, and colors to create the perfect doll for you. My Knitted Doll is not for the absolute beginner knitter but will appeal to knitters who do have a basic understanding of the craft. Having said that, the instructions are presented succinctly with easy-to-follow diagrams, with charts for intarsia and other designs.

Reader's Digest Complete Guide to Sewing -
Reader's Digest Association 1999

From Mouse to Mermaid - Elizabeth Bell
1995-11-01

A collection of essays that explicate Disney ideology through fifty-five years of feature films, including Bambi, Beauty and the Beast, Pinocchio, and more. From Mouse to Mermaid, an interdisciplinary collection of original essays, is the first comprehensive, critical treatment of Disney cinema. Addressing children's classics as well as the Disney affiliates' more recent attempts to capture adult audiences, the contributors respond to the Disney film legacy from feminist, marxist, poststructuralist, and cultural studies perspectives. The volume contemplates Disney's duality as an American icon and as an industry of cultural production,

created in and through fifty years of filmmaking. The contributors treat a range of topics at issue in contemporary cultural studies: the performance of gender, race, and class; the engendered images of science, nature, technology, family, and business. The compilation of voices in *From Mouse to Mermaid* creates a persuasive cultural critique of Disney's ideology. The contributors are Bryan Attebery, Elizabeth Bell, Claudia Card, Chris Cuomo, Ramona Fernandez, Henry A. Giroux, Robert Haas, Lynda Haas, Susan Jeffords, N. Soyini Madison, Susan Miller, Patrick Murphy, David Payne, Greg Rode, Laura Sells, and Jack Zipes. "In this volume of 16 essays about Disney films, several pieces . . . begin the work of filling in a major gap in our understanding of animation." —*Film Quarterly*

Cookies - American Girl 2018-10-30

The go-to guide for girl bakers who want to share the fun homemade cookies—featuring more than sixty recipes, plus decorating tips and more! *American Girl Cookies* is chock full of recipes for one of America's favorite sweet treats, from classic favorites to contemporary creations. Chewy, crunchy, gooey, or crumbly, choose from a delectable collection of drop cookies, sandwich cookies, cut-out cookies, brownies, and bars—like cinnamon-y snickerdoodles; chocolate sweetheart sandwiches; lemon squares studded with coconut; brownies covered in gooey chocolate frosting; rainbow sugar cookies; and cookie cutouts decorated with every kind of sprinkle! In addition to essential baking tips and safety knowhow, discover fun skills like piping and flooding icing, making natural food dyes, and rolling and storing dough like a pro. Whether you want to bake the perfect after-school snack, fun desserts for a party, or a dozen special treats to gift and share, this beautifully photographed collection of recipes will inspire you to bake cookies for any and every occasion. This guide has everything you'll need to become an expert cookie maker in no time. So grab your friends, your rolling pin, and get baking!

Disney Frozen 2 The Magical Guide - DK 2020-01-30

Set off on a magical adventure! Elsa and Anna must journey to an enchanted forest—and you can be with them every daring step of the way! Follow their thrilling mission to unlock the truth

about Elsa's power and save the kingdom of Arendelle. Meet mysterious spirits and forest dwellers, explore exciting new locations, and discover the secrets of the past. The ultimate companion for Frozen fans, this book includes cool facts from Olaf and quizzes to test your knowledge about your favourite characters and new friends from Frozen 2! ©2019 Disney [The Disneyland Encyclopedia](#) - Chris Strodder 2017-04-11

Completely updated and expanded with over 50 new entries and 300 new photos, *The Disneyland Encyclopedia* spans the entire history of the park, from its founding more than 50 years ago to the present day. This fascinating book features detailed explorations of 600 Disneyland topics, including lands, attractions, restaurants, stores, events, and significant people. Each of the main encyclopedia entries illuminates the history of a Disneyland landmark, revealing the initial planning strategies for the park's iconic attractions and detailing how they evolved over the decades. Enriching this unique A-to-Z chronicle are profiles of the personalities who imagined and engineered the kingdom known as "The Happiest Place on Earth." Discover unbuilt concepts, including Liberty Street, Rock Candy Mountain, and Chinatown, and delight in fascinating trivia about long-lost Disneyland features, from the real rifles in the shooting gallery that was once located on Main Street to the jet-packed Rocket Man who flew above Tomorrowland. The new "Mouscellany" feature adds fun facts, hidden secrets, and odd trivia to the third edition. Overflowing with meticulously researched details and written in a spirited, accessible style, *The Disneyland Encyclopedia* is a comprehensive and entertaining exploration of the most-influential, most-renovated, and most-loved theme park in the world!

Olivia Twist - Lorie Langdon 2018-03-06

Olivia Twist is an innovative reimagining of Charles Dickens' classic tale *Oliver Twist*, in which Olivia was forced to live as a boy for her own safety until she was rescued from the streets. Now eighteen, Olivia finds herself at a crossroads: revealed secrets threaten to destroy the "proper" life she has built for herself, while newfound feelings for an arrogant young man she shouldn't like could derail her carefully laid plans for the future. *Olivia Brownlow* is no damsel

in distress. Born in a workhouse and raised as a boy among thieving London street gangs, she is as tough and cunning as they come. When she is taken in by her uncle after a caper gone wrong, her life goes from fighting and stealing on the streets to lavish dinners and soirees as a debutante in high society. But she can't seem to escape her past ... or forget the teeming slums where children just like her still scabble to survive. Jack MacCarron rose from his place in London's East End to become the adopted "nephew" of a society matron. Little does society know that MacCarron is a false name for a boy once known among London gangs as the Artful Dodger, and that he and his "aunt" are robbing them blind every chance they get. When Jack encounters Olivia Brownlow in places he least expects, his curiosity is piqued. Why is a society girl helping a bunch of homeless orphan thieves? Even more intriguing, why does she remind him so much of someone he once knew? Jack finds himself wondering if going legit and risking it all might be worth it for love.

The Story of British Animation - Jez Stewart
2021-08-26

Jez Stewart charts the course of this extraordinarily fertile area of British film from early experiments with stop-motion and the flourishing of animated drawings during WWI. He reveals how the rockier interwar period set the shape of the industry in enduring ways, and how creatives like Len Lye and Lotte Reiniger brought art to advertising and sponsored films, building a foundation for such distinctive talents as Bob Godfrey, Alison De Vere and George Dunning to unleash their independent visions in the age of commercial TV. Stewart highlights the integral role of women in the industry, the crucial boost delivered by the arrival of Channel 4, the emergence of online animation and much more. The book features 'close-up' analyses of key animators such as Lancelot Speed and Richard Williams, as well as more thematic takes on art, politics and music. It builds a framework for better appreciating Britain's landmark contributions to the art of animation, including Halas and Batchelor's *Animal Farm* (1954), Dunning's *Yellow Submarine* (1968) and the creations of Aardman Animations.

Crochet Amigurumi Dolls - Maria Alejandra Montero 2016-02-14

If you love crochet and dolls, this is your book. Here you can find 15 projects made with the Japanese technique of amigurumi. There are four collections: The Four Seasons, a Costume Party, Successful Professionals and Dolls that you can dress with different clothes. You do not need to be a virtuoso in crochet. If you know how to do double crochet, increase and decrease, you can already make your first amigurumi project. Choose your favorite doll and get to work. The book offers some color suggestions.

Trendy Triangles - Annie's 2015-08

Take yourself on a pinwheel journey. Learn how to make unique pinwheels starting with the easy and working your way up to more challenging. Tutorial sidebars included in this book: 1. Spinning Centers to Reduce Bulk 2. Triangle Alignment 3. Using Half-Square Triangle Piecing Papers 4. Using a 60-Degree Triangle Ruler

Bibliographic Guide to Education 1994 - New York Public Library 1995

This guide lists materials catalogued by Columbia University Teachers College during 1994, with additional entries from the New York Public Library for selected publications in the field. All aspects of education are covered, including American elementary and secondary education, higher adult education, early childhood education, history and philosophy of education, international and comparative education, administration, education of the culturally disadvantaged and physically challenged, education of minorities, education of women, and administrative reports of departments of education in the US and abroad. The listing is intended as a supplement to the Dictionary Catalogue of the Teachers College Library, Columbia University (G.K. Hall, 1970).

John Lasseter - Richard Neupert 2016-05-15
Celebrated as Pixar's "Chief Creative Officer,"

John Lasseter is a revolutionary figure in animation history and one of today's most important filmmakers. Lasseter films from Luxo Jr. to Toy Story and Cars 2 highlighted his gift for creating emotionally engaging characters. At the same time, they helped launch computer animation as a viable commercial medium and

serve as blueprints for the genre's still-expanding commercial and artistic development. Richard Neupert explores Lasseter's signature aesthetic and storytelling strategies and details how he became the architect of Pixar's studio style. Neupert contends that Lasseter's accomplishments emerged from a unique blend of technical skill and artistic vision, as well as a passion for working with collaborators. In addition, Neupert traces the director's career arc from the time Lasseter joined Pixar in 1984. As Neupert shows, Lasseter's ability to keep a foot in both animation and CGI allowed him to thrive in an unconventional corporate culture that valued creative interaction between colleagues. The ideas that emerged built an animation studio that updated and refined classical Hollywood storytelling practices--and changed commercial animation forever.

Mediascapes - Paul Attallah 2006

The CG Story - Christopher Finch 2013-12-03
The Art of Walt Disney author Christopher Finch tells the story of the pioneers of CG films: producer/directors like George Lucas, Steven Spielberg, and Ridley Scott; and John Lasseter and Ed Catmull, founders of Pixar. Computer generated imagery, commonly called "CG," has had as big an impact on the movie industry as the advent of sound or color. Not only has it made possible a new kind of fully animated movie, but it also has revolutionized big-budget, live-action filmmaking. The CG Story is one of determined experimentation and brilliant innovation carried out by a group of gifted, colorful, and competitive young men and women, many of whom would become legendary in the digital world. George Lucas, Steven Spielberg, and Ridley Scott embraced the computer to create believable fantasy worlds of a richness that had seldom if ever been realized on screen. Their early efforts helped inspire a revolution in animation, enabled by technical wizardry and led by the founders of Pixar, including John Lasseter and Ed Catmull, who would create the entirely computer-produced worlds of Toy Story and subsequent Pixar films. Meanwhile, directors like James Cameron used the new technology to make hybrid live-action and CG films, including

the extraordinary Avatar. Finch covers these and more, giving a full account of today's most significant CG films.

Beyond the Red Carpet - Francine Brokaw 2013-05-28

Ever wonder what really goes on behind the scenes of the Oscars? Want to know which actors are funny and which ones are just plain boring? What is it like to interview Madonna, Robin Williams, and Pierce Brosnan? All of these questions (and many more) are answered by veteran entertainment journalist Francine Brokaw. With a delightful mixture of wit and honesty, Francine gives readers an uncensored view of life as an entertainment journalist. In addition to her own perspective, Francine's colleagues across the country weigh in on questions like . . . • What is the best swag you've ever received? • What is the most memorable interview you've ever conducted? • Have you ever had to interview someone rude? Perfect for a weekend read or as a companion text to an introductory course in mass media, *Beyond the Red Carpet* is an informative and entertaining book that covers every aspect of the business of entertainment journalism. Francine Brokaw has been a professional writer for over twenty years, focusing on entertainment and political journalism. Her work has appeared in numerous national and international magazines. She frequently interviews A-list celebrities such as Tom Hanks, Blake Lively, Julie Andrews, and Johnny Depp, but her favorite time period to write about is the studio days of Old Hollywood.

The Illustrated History of the Cinema - Ann Lloyd 1987

Los Angeles Magazine - 2004-05

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Drawing Futures - Bob Sheil 2016-11-11

Drawing Futures brings together international designers and artists for speculations in contemporary drawing for art and architecture. Despite numerous developments in technological manufacture and computational design that provide new grounds for designers, the act of drawing still plays a central role as a vehicle for speculation. There is a rich and long history of drawing tied to innovations in technology as well as to revolutions in our philosophical understanding of the world. In reflection of a society now underpinned by computational networks and interfaces allowing hitherto unprecedented views of the world, the changing status of the drawing and its representation as a political act demands a platform for reflection and innovation. Drawing Futures will present a compendium of projects, writings and interviews that critically reassess the act of drawing and where its future may lie. Drawing Futures focuses on the discussion of how the field of drawing may expand synchronously alongside technological and computational developments. The book coincides with an international conference of the same name, taking place at The Bartlett School of Architecture, UCL, in November 2016. Bringing together practitioners from many creative fields, the book discusses how drawing is changing in relation to new technologies for the production and dissemination of ideas.

The Psychosocial Implications of Disney Movies - Lauren Dundes 2019-07-11

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as

cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. *American Book Publishing Record* - 1996

Crochet Characters Winnie the Pooh - Megan Kreiner 2017-09-05

Bring the residents of the Hundred-Acre Wood home with Crochet Characters Winnie the Pooh. Everything you need to get started right away comes included, so grab your tools and get crafting! Bring Winnie the Pooh and all his friends from the Hundred-Acre Wood to life with this easy-to-use and all-inclusive crochet kit! Creating plush miniatures of your favorite characters like the adorable Roo, wise Owl, timid Piglet and of course, lovable Pooh himself, is made fun and easy with step-by-step, photographic instructions, and an introduction to the basic stitches, knots, and techniques of crocheting. Plus, you'll get all the tools and supplies you need to get started right away: a crochet hook, a tapestry needle, six colors of yarn, embroidery floss, felt, and stuffing. This kit comes with all the materials you'll need to create your first two projects. Who could they be? The very best friends Pooh and Piglet, of course! With twelve easy-to-follow patterns, you can create the entire cast of characters from this much-loved and classic story. Whether you're coming to crocheting new or are a seasoned pro, you'll soon have soft, fuzzy friends from the Hundred-Acre Wood sitting on your shelf.

Creativity, Inc. (The Expanded Edition) - Ed Catmull 2014-04-08

The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership, reflecting on the management principles that built Pixar's singularly successful culture, and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve. "Might be the most thoughtful management book ever."—Fast Company For nearly thirty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy,

Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner eighteen Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie's success—and in the twenty-five movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on philosophies that protect the creative process and defy convention, such as:

- Give a good idea to a mediocre team and they will screw it up. But give a mediocre idea to a great team and they will either fix it or come up with something better.
- It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them.
- The cost of preventing errors is often far greater than the cost of fixing them.
- A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody.

Creativity, Inc. has been significantly expanded to illuminate the continuing development of the unique culture at Pixar. It features a new introduction, two entirely new chapters, four new chapter postscripts, and changes and updates throughout. Pursuing excellence isn't a one-off assignment but an ongoing, day-in, day-out, full-time job. And Creativity, Inc. explores how it is done.

[Animation: A World History](#) - Giannalberto Bendazzi 2015-11-06

A continuation of 1994's groundbreaking *Cartoons*, Giannalberto Bendazzi's *Animation: A World History* is the largest, deepest, most comprehensive text of its kind, based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often-neglected areas and

introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated, and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India, and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history. Key Features: Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never-before researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information you're looking for

[The Complete Grimm's Fairy Tales](#) - Jacob Grimm 2016-07

A truly complete collection of fairy tales from the Brothers Grimm featuring color plates and illustrations from award-winning illustrator, Arthur Rackham.

Who Is That, Cat the Cat? - Mo Willems 2014-04-22

Mo Willems's New York Times bestselling *Cat the Cat* series is now in board book format—the perfect baby gift! Kids will love making friends with *Cat the Cat* as she introduces you to her animal pals. This irresistible new series focuses on simplifying essential concepts through vibrant art, spare text, and repetition. And in signature Mo style, there's a gently funny twist at the end of each book!

[Drawing the Iron Curtain](#) - Maya Balakirsky Katz 2016-07-15

In the American imagination, the Soviet Union was a drab cultural wasteland, a place where playful creative work and individualism was heavily regulated and censored. Yet despite state

control, some cultural industries flourished in the Soviet era, including animation. Drawing the Iron Curtain tells the story of the golden age of Soviet animation and the Jewish artists who enabled it to thrive. Art historian Maya Balakirsky Katz reveals how the state-run animation studio Soyuzmultfilm brought together Jewish creative personnel from every corner of the Soviet Union and served as an unlikely haven for dissidents who were banned from working in other industries. Surveying a wide range of Soviet animation produced between 1919 and 1989, from cutting-edge art films like Tale of Tales to cartoons featuring "Soviet Mickey Mouse" Cheburashka, she finds that these works played a key role in articulating a cosmopolitan sensibility and a multicultural vision for the Soviet Union. Furthermore, she considers how Jewish filmmakers used animation to depict distinctive elements of their heritage and ethnic identity, whether producing films about the Holocaust or using fellow Jews as models for character drawings. Providing a copiously illustrated introduction to many of Soyuzmultfilm's key artistic achievements, while revealing the tumultuous social and political conditions in which these films were produced, Drawing the Iron Curtain has something to offer animation fans and students of Cold War history alike.

Hearts at Sea - Cyril Pedrosa
2016-09-07T00:00:00+02:00

Jean-Paul is a shy, slightly gawky young man leading a rather unremarkable life in which his oppressive mother is all too present. As the anniversary of his father's death approaches, he feels increasingly dissatisfied with his life, and increasingly aware of his loneliness. It's time for things to change. So, without telling anyone, he embarks on a singles cruise and takes his first steps in a brave new world.

The Wendy - Erin Michelle Sky 2018-01-16
One of This Year's Hottest New YA Series — Goodreads
When the world doesn't want you to be who you are, you must become more yourself than you knew you could be. London. 1789. More than anything in the world, Wendy Darling wants to be the captain of a ship, but women aren't allowed in the Royal Navy. When she learns the Home Office is accepting a handful of women into its ranks, she jumps at the chance, joining the fight against the most formidable threat England has ever faced. Magic. But the secret service isn't exactly what she hoped. Accompanied by a reimagined cast of the original Peter Pan, Wendy soon discovers that her dreams are as far away

as ever, that choosing sides isn't as simple as she thought, and that the only man who isn't blinded by her gender ... might be her nation's greatest enemy. Praise for *The Wendy*, by Erin Michelle Sky & Steven Brown: "All the markings of a classic ... captivating and delightful." — Lydia Sherrer, USA TODAY Bestselling Author of *Love, Lies & Hocus Pocus* "This is a strong retelling of Peter Pan, with an empowered female protagonist who carves her own path. Wendy's sharp wit is truly impressive." — School Library Journal "From page one right up to the end, *The Wendy* held me enthralled." — Readers' Favorite "WOW! Just WOW! I think this is my favorite book of 2018 so far! It was amazing, amazing, amazing. — E.J. Hill, *Letters to You* "(P)ick it up and begin a great adventure! I DARE YOU!!! If you think you know the story of Wendy, Peter Pan and the Lost Boys, you will find that you never did, until now! You will not regret the time you give to this most entertaining tale of Peter, Windy and all of the others, from Captain "Hook" to Smee, to Nana and the lads. Five stars is not enough! Straight on until morning!!! — Caius

Fabius, Goodreads Fans of Brigid Kemmerer's *A Curse So Dark and Lonely*, Gena Showalter's *The Evil Queen* and Leigh Bardugo's *Shadow and Bone* will love the rip-rollicking adventure, fantasy and historical elements of *The Tales of the Wendy* by Dragon Authors Steven Brown and Erin Michelle Sky.
