The Enchanted Screen - Jack Zipes 2011-01-27

The Enchanted Screen: The Unknown History of Fairy-Tale Films offers readers a long overdue, comprehensive look at the rich history of fairy tales and their influence on film, complete with the inclusion of an extensive filmography compiled by the author. With this book, Jack Zipes not only looks at the extensive, illustrious life of fairy tales and cinema, but he also reminds us that, decades before Walt Disney made his mark on the genre, fairy tales were central to the birth of cinema as a medium, as they offered cheap, copyright-free material that could easily engage audiences not only through their familiarity but also through their dazzling special effects. Since the story of fairy tales on film stretches far beyond Disney, this book, therefore, discusses a broad range of films silent, English and non-English, animation, live-action, puppetry, woodcut, montage (Jim Henson), cartoon, and digital. Zipes, thus, gives his readers an in depth

look into the special relationship between fairy tales and cinema, and guides us through this vast array of films by tracing the adaptations of major fairy tales like "Little Red Riding Hood," "Cinderella," "Snow White," "Peter Pan," and many more, from their earliest cinematic appearances to today. Full of insight into some of our most beloved films and stories, and boldly illustrated with numerous film stills, The Enchanted Screen, is essential reading for film buffs and fans of the fairy tale alike.

Kiss of the Wolf - Jim Shepard 2015-12-22

A New York Times Notable Book: A lethal accident turns life into a waking nightmare for a mother and her son in this gripping novel of secrecy and dread. Abandoned by her husband, Joanie Mucherino and her eleven-year-old son, Todd, struggle to cope while dealing with their comically tactless and intrusive Italian family. Further complicating things, Joanie now seems available to Bruno Minea, an old family friend whose two-decade passion for her has been unwavering and faintly frightening. When Joanie and Todd kill an acquaintance in a hit-and-run accident, they soon discover—to their horror—that they're keeping it a secret. But as

the weight of their lies becomes more than they can bear, their crime connects them to something even more sinister, as the victim had powerful, dangerous friends who will go to great lengths to avenge his death. Part family drama, part thriller, *Kiss of the Wolf* exemplifies the talents of National Book Award finalist Jim Shepard, author of 2015 favorite *The Book of Aron*, who crafts hilarious, spot-on dialogue with the same mastery he lends to the ingenious, page-turning plot, in which a loving mother is forced to confront her role as the architect of her son's anguished guilt.

Mystery Club: A Graphic Novel (Mr. Wolf's Class #2) - Aron Nels Steinke 2019-02-26

Another charming and funny adventure in the *Mr. Wolf's Class* series! Mr. Wolf's students are settling into their new classroom, and Randy, Aziza, and Margot realize they have some questions: 1. What happened to Aziza's favorite Frisbee? 2. Is the girls' bathroom really haunted? 3. Where is Mr. Greens, the teacher who

disappeared? To answer these questions, the three friends start a mystery club! What could be more fun? Meanwhile, Abdi is wondering what happens to the balls that are accidentally kicked over the fence during recess, and thinks he'll be a hero if he can find his best friend's football. Mysteries abound at Hazelwood Elementary!

Mr Wolf and the Enormous Turnip - Jan Fearnley
2019-08

Proteus Unbound - Charles Sheffield
2013-05-06

There were problems with the Form Change process. One or two malfunctions at first: people emerging from the tanks in an incorrect form or completely unchanged. For three years it had been getting worse. Now there had been deaths, and on the Space Farms panic was setting in. People were refusing to go into the tanks. Yet out in the Cloudlands, they needed continuous small form corrections just to stay effective. As the

faults increased, their society was on an exponential curve to disaster. Behrooz Wolf, down in the Inner System, was sent for. But far gone in despair, he was in no state to help. He himself was going mad. Like a hallucination, the Dancing Man would come capering across his field of vision. Dressed in skin-tight scarlet, he danced up to him, mouthing gibberish, then skipping backwards, tantalisingly, out of sight. While, hidden in the Kernel Ring, Black Ransone bided his time, waiting for the disintegration of the empires, waiting to inherit the universe.

Creatures of the Night - Gregory L. Reece
2012-02-28

Vampires and werewolves; phantoms and phantasms: looming out of the fog leaps the menacing spectre of the lycanthrope, ghoul or blood-crazed zombie. Intrigued by some of the most sinister, yet at the same time most compelling, legends of western civilization, Gregory L Reece dusts down his stake and crucifix, loads his silver bullets and takes off into

the wilds in search of answers and fresh adventures. Rummaging around in crumbling tombs and cobwebbed sarcophagi, his latest quest leads him into the haunted realm of the dead and the undead: of those carnivorous, nocturnal hunters that might perhaps better be left undisturbed. Why, he asks, is our culture obsessed by the eerie and the macabre? Why, despite its horrors, does the 'dark side' of the supernatural - its seances and ghost-hunting, demonic possession and the occult - call to us with such dangerous allure? Whether tracking night-stalking werewolves, chanting black magic mantras with Satanists, or interviewing a funereal modern-day Count Dracula, Reece is determined to uncover the truth. A wry exploration of a secret and secretive subculture, "Creatures of the Night" is at the same time a bold and startling journey into a wraithlike world that has so often seemed to lie beyond the limits of rational comprehension - until now.

Path of the Wolf - Paul Flentge 2009-11

"Spike looked up at his audience. All of the poodles had watched him begin his feast, but only a few remained now. The rest stood at the water bowls or near the far end of the compound. The terrier licked the last of the blood from his muzzle. 'You poodles don't know what you're

missing." Meet Spike, a Jack Russell Terrier who thinks he is a wolf; Bull, a half-wolf, half-Rottweiler fight dog who has escaped his tormenting master and reconnected with his wild roots; and Hashi, a beautiful poodle who is focused on winning ribbons, not hearts. "Path of the Wolf" is about a boy and his dog, a dog and the dog of his dreams, and an underdog making it out on top. Can Spike, the wolf-dog, win the heart of his beloved poodle, Hashi, while staying true to his wolf ideals? Can Bull avoid man and still survive in the wild? Will Hashi choose Spike, the wildcard in her life, or the safe and pre-ordained path to victory in the show ring? Forget the furry friends story about dogs and cats. Join Spike and Bull on their hunts; share their kills; watch their fights; and experience their love of life as they follow the "Path of the Wolf."

2022-02-08

Visions of feral eyes haunt the waking hours of Alexandra Shaw. They both scare and intrigue her, and after one particularly strong dream she heads out to find where these visions are leading her. Her destination turns out to be Greylock Lodge, a supposedly abandoned chalet up in the mountains. Getting there proves to be the hard part, but she's not the only one trying to reach the elusive lodge. A tense crowd waits in a small clearing, and among them is a handsome man by

the name of Christopher Dayton. The eyes have called them all there, but they all have their different reasons for coming. The crowd is presented with a challenge by two mysterious figures, people who can change into wolves and back again. Their goal, if they can make it, is to reach Greylock Manor at the far end of the forested valley. Anyone who can't will lose not only the game, but their memories. Maybe even their lives. Alex finds Chris at her side as she sets off into the dark, spooky woods where unknown dangers await them. The 'game' soon gets all too real, but Alex is determined to reach the end, no matter what. Chris is likewise set on winning, but Alex can't help but notice the enticingly heated gazes he sends her way. Along the way Alex discovers that even if she doesn't reach the end, she's perhaps found something more important: love.
