Climb the famous bell tower in Bruges' Markt, wonder at the Burg's shining gilt or take an audio tour of world music at Brussels' Musee des Instruments de Musique.

Walking on Madeira - Paddy Dillon 2022-01-31

This guide describes a varied selection of 57 walks on the Portuguese island of Madeira, exploring the dramatic cliff coastline, scenic levadas (irrigation channels), dense laurisilva 'cloud' forests and high mountain peaks, plus three walks on neighbouring Porto Santo. There are routes to suit all abilities, from easy, level levada walks to steep and rugged mountain paths - some with exposed sections calling for a sure foot and good head for heights. Since the steep terrain of Madeira does not easily support circular walks, many of the routes are linear, however most can be accessed by public transport and there is the option to link routes

to create longer outings and multi-day hikes. With a favourable climate and striking scenery, Madeira is a fantastic walking destination. The routes in this guide are spread across the whole island, and visitors may choose to base themselves in the capital, Funchal, or in one of the many smaller towns and villages. Regular flights and ferries link Madeira with Porto Santo, which boasts an exceptional sandy beach and pleasant, easy walking. The guide also outlines a day-cruise to the nearby uninhabited Ilhas Desertas. Comprehensive route description, overview statistics and sketch mapping are provided for each walk. There is practical advice on travel and transport, a basic map of central Funchal and fascinating notes of Madeira's geology, history, plants and wildlife. Useful contacts and a Portuguese-English glossary (including a menu decoder) can be found in the appendices.

Madeira - Christopher Catling 2011-07

A best-selling series of colourful and compact guidebooks, which provide an excellent all-round insight to many of the world's destinations.

Germany - Andrea Schulte-Peevers 2016

Madeira Pocket - Marc Di Duca 2023-06-16T00:00:00+02:00
"Spettacolare dal punto di vista geologico, esuberante nei colori e riscaldata dal sole dell'Atlantico, Madeira mantiene le promesse di una vacanza subtropicale. Questa piccola isola vulcanica merita tutto l'affetto che suscita." Dritti al cuore di Madeira: le esperienze da non perdere, alla scoperta dell'isola, itinerari a piedi e giorno per giorno, il meglio di ogni zona, ristoranti, locali, shopping e architettura.

skip, and what hidden discoveries await you. Marvel at the intricacy of Belém's monastery, experience Lisbon on the golden tram and enjoy a city view from the Castelo de Sao Jorge – all with your trusted travel companion.

Madeira - Rolf Goetz 2019

Every island thrives on its clichés. The name Madeira stands for a heavy drop of wine which might have had its time a long time ago, yet is still praised by many a connoisseur. The island's all-year-round mild climate helped Madeira be awarded the decorative suffix »floating floral island in the Atlantic«. Bird of paradise and torch lilies, daisies and hydrangea leave no doubt: Madeira is rich in flowers like no other island. And secretly the Atlantic beauty has developed into a hiking paradise of the special kind. The first Portuguese word which hikers learn on Madeira is bound to be »levada«. Levada hiking is surely unique on the whole world. A sophisticated network of narrow irrigation canals runs across the entire island. The maintenance paths installed next to canal trenches allow the convenient discovery of Madeira without great altitude all the way to the most remote corners. Around half of the tours introduced in this guide are Levada excursions. They lead through fertile land cultivating sugar cane, bananas, vine and exotic fruit, past artistic terraces modelled into the island's rugged topography, which awaken associations of Bali or the Philippines. Rushing cascades and impressive ravines are found equally by the wayside as are rough, declining cliffs and marshy high-moor bogs. The still natural valley to the north of the island offers a sumptuous evergreen subtropical vegetation comprising fern meadows, lauraceae forests and heather shrubs that convey the feeling of walking through an emerald green

tunnel. With all the fascination for the Levada paths it should not be forgotten that the volcano island also is a fabulous territory for mountaineers. The nearly 1900m high central massive holds routes for all demands. Very alpine is the triple summit tour from the Arieiro over the Torres to the Pico Ruivo. The stretch, which has been spectacularly chiselled into the rock, can justifiably be considered the tour of kings. Next to various shepherd paths and adventurous coastal ascents there are so-called »veredas«, i.e. old paths linking villages, which used to be the sole access to remote locations until a few decades ago only, crossing valleys deep and mountains high. A typical feature are the rounded steps of the paved paths -lovingly called »ox hoof plaster« by local Madeirans.

Lonely Planet Pocket Valencia - Lonely Planet 2017-01-01

Atlantic Islands - Anne Hammick 2022-07-18

Atlantic Islands is a long-established cruising guide to the five island groups of the North Atlantic, commonly visited by those sailing the popular Atlantic crossing routes but increasingly enjoyed as cruising destinations in their own right. From the sun-baked lagoons of Bemuda to the verdant slopes of the Azores and Madeira, from the fiery landscapes of the Canaries to the less visited coastlines of the Cape Verdes, this seventh edition has thoroughly updated text and plans and is illustrated with numerous new photographs. Co-authors of the sixth edition, Anne Hammick and Hilary Keatinge, have been joined by Linda Lane Thornton who lives on and cruises in the Azores. Together they enrich the coverage overall with their first-hand knowledge of each of the island groups. An essential companion for those planning a cruise any of the North Atlantic island groups, even more so for anyone planning an Atlantic crossing or circuit. The seventh edition of Atlantic Islands builds on solid foundations...The co-authors know their group of islands inside-out and it shows in the depth of content and recommendations within the guide...If you are planning on crossing the Atlantic and don't yet have a copy, then this new seventh edition should be on your pre-departure shopping list. "It is difficult to fault this pilot. It is clearly and consistently laid out- the navigational directions are concise and accurate, the Introductions and History of each archipelago and each island are interesting and whet one's appetite for exploration. It is an excellent, informative and enjoyable companion for any Atlantic cruising sailor." Flying Fish Magazine (Ocean Cruising Club)
