Roller Skating - Eileen Kulper 1991-02

"Action Sports" takes children up in an airplane to free-fall through a cloudless sky. Wind surfing over an ocean wave. Shooting the rapids on a swift-flowing river. If it's fast-paced and exciting in the field of personal sports, this series covers it! Material covered includes the basic equipment and how to buy it, beginner's techniques, advanced skill levels, elements of competition,

background on people who pioneered and excel in the sport, plus conditioning tips and how to reach top form. Lively full-color photographs capture the thrill and magic of these unusual and popular sports. Each book contains an index, bibliography, glossary.

The Evolution of Skating -

Clyde McCoy 2021-02-18

"Great skaters are not great because of their technique, but are great because of their passion" unknown You still roller skate? This is the age-old question that seasoned skaters hear each time they mention this passionate pastime, the truth is skating never ceased. Sure, it fell out of the headlines for a while until some famous and fresh faces were spotted "having a little fun". The evolution of skating is the journey though the lives of skaters as they share their tales of discovery, growth, inspiration and passion of when they fell in love with roller skating and the

impact it has on their life. This compilation of stories will take you on a twisting ride into the gritty underground of adult roller-skating introducing event organizers, videographers, DJ's, skate critics, rink owners and more. Giving the reader a peek into the deep, passionate and personal world of this artistic, vibrant, seldom understood historical past time called Roller Skating.
