Lire L'histoire Générale Des Antilles de J.-B. Du Tertre - Christina Kullberg 2020-09-24

"This book examines the historical ramifications of the concept of exoticism through a literary analysis of *Histoire générale des Antilles* (1654/1667-71) written by Dominican missionary Jean-Baptiste Du Tertre. The study gives a thorough account of the early French colonization of the islands and the ways in which this violent process of cultural encounters was represented. It argues for the necessity to reconfigure the notion of exoticism, both by revisiting contemporary theorization and by contextualizing it in regard to the history and aesthetics of the times. The study is thus both theoretical, in proceeding by a critical reading of different orientations of exoticism, and historical in offering an in-depth study of an author and a period that have received little attention despite their impact on French Caribbean literature and on the history of anthropology. Cette étude propose d'examiner les ramifications historiques de l'exotisme à partir d'une lecture critique de l'*Histoire générale des Antilles* (1654/1667-71) écrite par le missionnaire dominicain, Jean-Baptiste Du Tertre. En procédant d'une analyse littéraire, notre étude suggère une reconfiguration de l'exotisme basée à la fois sur la théorisation contemporaine et sur le contexte historique et l'esthétique de l'époque. Notre travail se veut donc à la fois théorique en offrant une analyse critique des différentes orientations de l'exotisme ; et historique, en présentant une lecture approfondie d'une œuvre dont l'importance est considérable aussi bien pour l'histoire de la littérature française et antillaise que pour l'histoire de l'anthropologie. À cet égard, cette étude fournira aussi une exploration de la toute première colonisation française des îles et de la manière dont elle a été représentée"--

Brittany, 1750-1950 - Sharif Gemie 2007

Incorporated into France nearly five hundred years ago, Brittany has never experienced a strong nationalist movement. However, somewhat paradoxically, in recent years signs of a sense of cultural separation from France have grown more evident, raising fundamental questions about the processes of nation formation. By covering two centuries of Breton history, Sharif Gemie provides a thorough grounding in the complex politics of identity in Brittany. Brittany's conflicted status is elucidated through a discussion of how these notions of identity are represented in a variety of forms such as literature, political debates, festivals, and popular protest."

The Last One - Fatima Daas 2021-11-23

"Fatima Daas carves out a portrait, like a patient, attentive sculptor...or like a mine searcher, aware that each word could make everything explode." —Virginie Despentes Drawn from the author's experiences growing up in a Paris banlieue, a powerful, lyric debut that explores the diverse, often conflicting facets of her identity—French, Algerian, Muslim, lesbian. The youngest daughter of Algerian immigrants, Fatima Daas is raised in a home where love and sexuality are considered taboo, and signs of affection avoided. Living in the majority-Muslim suburb of Clichy-sous-Bois, she often spends more than three hours a day on public transportation to and from the city, where she feels like a tourist observing Parisian manners. She goes from unstable student to maladjusted adult, doing four years of therapy—her longest relationship. But as she gains distance from her family and comes into her own, she grapples more directly with her attraction to women and how it fits with her religion, which she continues to practice. When Nina comes into her life, she doesn't know exactly what she needs but feels that something crucial has been missing. This extraordinary first novel, anchored and buoyed by the refrain "My name is Fatima," is a vital portrait of a young woman finding herself in a modern world full of contradictions. Daas's journey to living her sexuality in spite of expectations about who she should be offers a powerful perspective on the queer experience. Two Thousand Years of Jewish Life in Morocco - Haim Zafrani 2005

The origins of the Jewish community of Morocco are buried in history, but they date back to ancient times, and perhaps to the biblical period. The first Jews in the country migrated there from Israel. Over the centuries, their numbers were increased by converts and then by Jews expelled from Spain and Portugal. After the Muslim conquest, Morocco's Jews, as "people of the book," had dhimmi status, which entailed many restrictions but allowed them to exercise their religion freely. In the mellahs (Jewish quarters) of Morocco's cities and towns, and in the mountainous rural areas, a distinct Jewish culture developed and thrived, unquestionably traditional and Orthodox, yet unique because of the many areas in which it assimilated elements of the local culture and lifestyle, making them its own as it did so. Most of Morocco's Jews settled in Israel after 1948, and many others went to other countries. Wherever they went, their rich cultural heritage went with them, as exemplified by the Maimuna festival, just after Passover, which is now a major occasion on the Israeli calendar.
