**Generazione Wunderteam** - Jo Araf 2021-07-12

Generazione Wunderteam is the enthralling story of the Austrian national football team of the 1930s, an innovative side that dazzled Viennese crowds and sparked a new-found passion for football both at local and international level. Although the Wunderteam was short-lived, this squad led by Hugo Meisl, one of the most prominent figures in European football, proved hugely influential. Vienna quickly became - along with Budapest and Prague - one of the world's football capitals and the

birthplace of some of the greatest players of the era, including Matthias Sindelar, a centre-forward whose fame transcended football, and who was often compared to Mozart and other Viennese celebrities. Sindelar died in suspicious circumstances at age 35, after defying the Nazis. The book takes the reader on a journey through that forgotten era, examining the genesis of Hugo Meisl's side, its key figures, the historical vicissitudes of the inter-war years and the most important Viennese teams of the period.

*Seven Deadly Sins* - David Walsh 2015-10-27

The basis for the upcoming major motion picture *The Program* directed by Stephen Frears (*High Fidelity*, *The Queen*, *Philomena*), starring Chris O'Dowd as journalist David Walsh and Ben Foster as Lance Armstrong. When Lance Armstrong won his first Tour de France in 1999, the sports world had found a charismatic new idol. Journalist David

Walsh was among a small group covering the tour who suspected Armstrong's win wasn't the feel-good story it seemed to be. From that first moment of doubt, the next thirteen years of Walsh's life would be focused on seeking the answers to a series of hard questions about Armstrong's astonishing success. As Walsh delved ever deeper into the shadow world of performance-enhancing drugs in professional athletics, he accumulated a mounting pile of evidence that led a furious Armstrong to take legal action against him. But he could not make Walsh—or the story—go away, and in the autumn of 2012, Walsh was vindicated when the cyclist was stripped of his seven Tour de France titles. With this remarkable book, Walsh has produced both the definitive account of the Armstrong scandal, and a testament to the importance of journalists who are willing to report a difficult truth over a popular fantasy.

The Boot Room Boys - Peter Hooton 2018-09-27  
Picture this: Saturday afternoons at Anfield, orange match balls, passionate terraces, a sea of red and Liverpool FC rules the world. The Boot Room story starts in 1959 when Bill Shankly arrived and converted a 12 x 12 storage room into a meeting place for him and his coaches, a move that had momentous consequences, both for the Club and British football. Fans on the Kop will remember the heart-stopping extra time of the 1965 FA Cup Final, and the jubilation of winning the treble in 1984. But what was the common thread during Liverpool's glory years? It was the Boot Room. Lifelong Liverpool supporter and editor of legendary fanzine The End, Peter Hooton takes us back into that old storage room, where first Shankly, then in succession Paisley, Fagan and Dalglish drank tea, analysed, strategised, selected and deselected, and built the most successful British club in Europe in

the 20th Century. Illustrated throughout with over 100 powerful never-before-seen images from the Mirror's forgotten archives, *The Boot Room Boys* captures the story, as it unfolded, of Liverpool's conquering heroes.

This official Liverpool FC publication celebrates 50 of the greatest goals witnessed in the Reds' fantastic history Ian Rush, Roger Hunt, Billy Liddell, Michael Owen, Robbie Fowler, Steven Gerrard, John Barnes, Fernando Torres, Luis Suarez, Kevin

Keegan. . . the list goes on. Liverpool Football Club has been blessed with some truly great players during its 120-year history, all of whom have scored some fabulous goals. The 50 greatest goals witnessed at Anfield, and beyond, have been selected from throughout the Club's history. Few clubs in the world can match Liverpool FC's record of 18 League Championships, seven FA Cups, eight Football League Cups, three UEFA Cups, and five prestigious European Cups, plus the UEFA Super Cup and many FA Charity/Community Shields. The goals have been arranged chronologically so the reader can rate his or her own favorites. Each entry features a description of the goal, both in terms of the build up play, the wider context of the match, and its place in history. And every entry features at least one photograph of the goal in question, which will bring back great memories for those who were there and bring the goal vividly to life for those

who weren't. Among the 50 chosen goals are superb team goals, such as Kevin Keegan's in the 1974 FA Cup final against Newcastle United, dynamic breakaway goals like Terry McDermott's header against Tottenham Hotspur in 1978 (rated by Bob Paisley, at the time, as probably the best in Liverpool's history), fabulous strikes such as Steven Gerrard's against Manchester United in 2001, and wonderful solo efforts like John Barnes' against Queens Park Rangers in 1987 and Steve McManaman's against Celtic in 1997. There are even a few goals from Liverpool's earlier history, such as the first of the 215 goals Billy Liddell scored for the Reds (against Chester in January 1946), and the debut goal of one of Liverpool's most prolific goal scorers, Roger Hunt (against Scunthorpe United in September 1959).

**Can't Swim, Ride, Run** - Andy Holgate 2011

This book is both a lesson in true grit and determination, but its goal is one that is attainable. Andy isn't a sporting superstar, he holds down a 9-5 job and all the pressures that go with it; he isn't blessed with speed and talent; there are no multi-million pound sponsorship deals; yet this remarkable "common man" is inspiring in a way that some of today's sporting superstars have forgotten how to be. You wouldn't recognize Andy

in the street, yet his story provides valuable lessons to us all: "Never give up" and "Anything is possible." Can't Swim, Can't Ride, Can't Run follows Andy Holgate's epic journey from being an overweight librarian to an Ironman triathlete. Before he could even begin the rollercoaster ride which amassed more punctures than Andy cares to remember, this would-be Superman had first to buy a second-hand bike and take swimming lessons. Along the way, he ended up in hospital, dealt with family crises, encountered crocodiles and deadly amoebas, and persuaded his friends that doing an Ironman event is what normal people do on their stag weekend. This is the inspirational, amusing and moving story of how one normal bloke learnt how to fall off a bike and not injure himself, to run a marathon despite two dodgy knees, and most importantly how not to drown.

**Can't Sleep, Can't Train, Can't Stop** - Andy Holgate  
2013-09

A 2.4-mile swim, a 112-mile bike ride and a 26.2-mile run makes the Ironman triathlon one of the hardest one-day endurance challenges on the planet. Now take those events and transfer them to a volcanic rock with cruel winds, searing sun, rough seas and nosebleed-inducing hills, and you have Ironman Lanzarote. Why, then, would Andy Holgate - who admittedly has never swum in the sea, who can't cope with the wind, sun or even

stairs - take on such an extreme challenge? Simple: Because he can. Can't Sleep, Can't Train, Can't Stop! continues Andy's inspirational journey from where Can't Swim, Can't Ride, Can't Run left off, chronicling his attempt to complete two Ironman triathlons six weeks apart. Already in his fortieth year, would Andy make it to his forty-first? Would Lanzarote prove one triathlon too far - or will Andy succeed against the odds and live to swim, ride and run another day?
