English-Kikongo (Kongo)
Dictionary & Phrasebook
- 2020-06-23

Kikongo (also known as Kongo) is a Bantu language spoken by over 5 million people worldwide, mostly by the Kongo and Ndundu people living in the tropical

forests of the Democratic Republic of the Congo, the Republic of the Congo, and Angola. Kikongo was spoken by many from this region who were sold into slavery in the Americas. Thus creolized forms of the language can be found in the

ritual speech of Afro-American religions, especially in Brazil, Cuba, Puerto Rico, Dominican Republic and Haiti. It is also one of the sources of the Palenquero creole in Colombia, and the Gullah language spoken in coastal regions of South Carolina and Georgia in the United States. This unique, two-part resource provides travelers to Central Africa with the tools they need for daily interaction. The bilingual dictionary has a concise vocabulary for everyday use, and the phrasebook allows instant communication on a variety of topics. Instant Japanese - Boye Lafayette De Mente
2016-03-08

It's amazing how 100 key words and phrases provide instant communication! Do you want to speak simple Japanese but are too busy to study it? Are you visiting Japan for a short time and want a Japanese phrase book to help you communicate? If

so, then this thoroughly revised second edition of Boye Lafayette De Mente's classic, bestselling phrase book and Japanese dictionary is for you. It's tiny 0.4 x 4.1 x 5.9 inches size makes it incredibly convenient to travel with but without losing the essential content for communication. The idea of Instant Japanese is simple—learn 100 words and phrases and say 1,000 things. The trick is knowing which 100 words to learn, but the author, De Mente has solved the problem, choosing only those words you'll hear again and again. Even with a vocabulary this small, you'll be surprised how quickly and fluently you too can communicate in the Japanese language. Words are repeated in different combinations, building familiarity without effort. A brief guide to pronunciation

allows the user to say the phrases correctly and a Japanese dictionary allows for quick reference. Here's a sample of what you'll be able to do with this Japanese phrasebook: Meet people Go shopping Ask directions Ride the subway Order food and drinks And much more... About this new edition: This new, expanded edition contains 15% more content, fun manga-style illustrations, Japanese etiquette tips and additional information on which destinations, personalities and trends are hot in Japan right now!

Travels in West Africa - Mary Kingsley 2019-06-27
Mary Henrietta Kingsley was an English ethnographic and scientific writer and explorer whose travels

throughout West Africa and resulting work helped shape European perceptions of African cultures and British imperialism. After a preliminary visit to the Canary Islands, Kingsley decided to travel to the west coast of Africa. The only non-African women who regularly embarked on (often dangerous) journeys to Africa were usually the wives of missionaries, government officials, or explorers. Exploration and adventure were not seen as fitting roles for women in the Victorian era. Yet, when Mary Kingsley's invalid parents died within six weeks of each other, she followed in her explorer father's footsteps and traveled to Africa against her society's every convention. Here is her lively and witty account of that journey, an immediate bestseller when it first came out

in 1897 and every bit as gripping today. Kingsley's complicated and indomitable character shines through in each sentence, as she describes hacking, marching, and climbing her way through the continent. After more than a century, she remains a feminist icon and a most remarkable woman.

The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)

- Ambrose Bierce 2013-08-20
This carefully crafted ebook: "The Devil's Dictionary (or The Cynic's Wordbook: Unabridged with all the Definitions)" is formatted for your eReader with a functional and detailed table of contents. The book is a classic satire in the form of a dictionary on which Bierce worked for

decades. It was originally published in 1906 as The Cynic's Word Book before being retitled in 1911. A number of the definitions are accompanied by satiric verses, many of which are signed with comic pseudonyms. It offers reinterpretations of terms in the English language which lampoon cant and political double-talk as well as other aspects of human foolishness and frailty. The definitions provide satirical, witty and often politically pointed representations of the words that it seeks to "define". The Devil's Dictionary has inspired many imitations both in its day and more recently. Ambrose Gwinnett Bierce (1842 – 1914?) was an American satirist, critic, poet, editor and journalist. Bierce became a prolific author of short stories

often humorous and sometimes bitter or macabre. His dark, sardonic views and vehemence as a critic earned him the nickname, "Bitter Bierce".
