You Don't Scare Me -
John Farris 2015-03-26
Jubilation County,
Georgia, Ten Years Ago:
Chase Emrick was fourteen when her mother married Crow Tillman. Maybe it was his creepy name, or his sinister good looks; maybe it was the glass eye with the bolt of lightning for a pupil that he kept covered with a black eye patch, or maybe it was the rattlesnake tattoo that curled around his

left wrist onto his hand, but for some reason, Chase never trusted Crow. Then one terrifying night of horror proved what Chase had felt all along . . . Crow Tillman was pure evil. New Haven, Connecticut, Present Day: Crow Tillman is ten years dead, but he hasn't stopped haunting Chase Emrick. Everyone she's ever been close to suffers horrible fates, leaving Chase all alone in this world. Haunted by Crow, she has spent the last ten years of her life proving mathematically that a dimension lies unseen in our reality—one where the dead can inflict their will on the living: a netherworld of horror where Crow Tillman is in complete control. Adam Cameron is a campus cop, and he's utterly smitten by Chase's frailty, beauty, and genius. But getting

close to Chase drags Adam into a world he didn't bargain for and head to head with the essence of evil and the reality of death. There is only one way to get Crow Tillman to leave Chase alone: To battle him, you must first die.

Chase the Lion - Mark Batterson 2016-09-06
Over 100,000 copies sold! Quit playing it safe and start running toward the roar! When the image of a man-eating beast travels through the optic nerve and into the visual cortex, the brain sends the body a simple but urgent message: run away! That's what normal people do, but not lion chasers. Rather than seeing a five-hundred-pound problem, they see

an opportunity for God to show up and show His power. Chase the Lion is more than a catch phrase; it's a radically different approach to life. It's only when we stop fearing failure that we can fully seize opportunity by the mane. With grit and gusto, New York Times best-selling author Mark Batterson delivers a bold message to everyone with a big dream. This is a wake-up call to stop living as if the purpose of life was to simply arrive safely at death. Our dreams should scare us. They should be so big that without God they would be impossible to achieve. Quit running away from what you're afraid of. Chase the lion! Change the world! What is your five-hundred-pound dream? In this highly anticipated sequel to his best-selling *In a Pit with a Lion on a Snowy Day*,

Mark Batterson invites lion chasers everywhere to chase dreams so impossible that victory demands we face our fears, defy the odds, and hold tight to God. These are the kind of dreams that will make you a bigger person and the world a better place. Based upon 2 Samuel 23, Chase the Lion tells the true story of an ancient warrior named Benaiah who chased a lion into a pit on a snowy day—and then killed it. For most people, that situation wouldn't just be a problem...it would be the last problem they ever faced. For Benaiah, it was an opportunity to step into his destiny. After defeating the lion, he landed his dream job as King David's bodyguard and eventually became commander-in-chief of Israel's army under King Solomon. Written in a

way that both challenges and encourages, this revolutionary book will help unleash the faith and courage you need to identify, chase, and catch the five-hundred-pound dreams in your life.

"A fascinating and
frightening book" (Los

bestselling true story
about a house possessed
by evil spirits, haunted
by psychic phenomena
almost too terrible to

Island. George and
Kathleen Lutz knew that,
one year earlier, Ronald
DeFeo had murdered his
parents, brothers, and
sisters in the house,
but the
property—complete with

boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—“this book will scare the hell out of you” (Kansas City Star).

courage within each of us, young and old. From the scary thought of panthers in the park to the unsettling scene of a new classroom, fearsome images are summoned and dispelled by the power of faith in ourselves. Angelou's strong words are matched by the daring vision of artist Jean-Michel Basquiat, whose childlike style reveals the powerful emotions and fanciful imaginings of childhood. Together, Angelou's words and Basquiat's paintings create a place where every child, indeed every person, may experience his or her own fearlessness. Celebrating its successful 25 years in print, this brilliant introduction to poetry and contemporary art features brief, updated biographies of Angelou and Basquiat, an afterword from the

editor, and a fresh new look. A selected bibliography of Angelou's books and a selected museum listing of Basquiat's works open the door to further inspiration through the fine arts.

the way we relate to the scary and difficult moments of our lives—showing us how we can use our difficulties and fears as a way to soften our hearts and open us to greater kindness. We always have a choice in how we react to the circumstances of our lives. We can let them harden us and make us increasingly resentful and afraid, or we can let them soften us and allow our inherent human kindness to shine through. In *The Places That Scare You*, Pema Chödrön provides essential tools for dealing with the many difficulties that life throws our way, teaching us how to awaken our basic human goodness and connect deeply with others—to accept ourselves and everything around us complete with

faults and imperfections. Drawing from the core teachings of Buddhism, she shows the strength that comes from staying in touch with what's happening in our lives right now and helps us unmask the ways in which our egos cause us to resist life as it is. If we go to the places that scare us, Pema suggests, we just might find the boundless life we've always dreamed of.
