Twice Born - Margaret Mazzantini
2011-05-12

This international bestseller is a sweeping portrait of motherhood, loss, and redemption in war-torn Sarajevo. Filled with memories of the four-year siege of Sarajevo, Gemma reluctantly boards a flight from her native Rome to that war-scarred city with her sixteen-year-old son, Pietro. She hopes to teach her son about the city of his birth and about Diego, the father he never knew. Once there Gemma is caught between the present and the past, reliving her love affair with Diego, their determination to start a family, and their deep connection to Sarajevo

even as the threat of war loomed. In this haunting and sophisticated novel, Mazzantini masterfully probes the startling emotional territory of what makes a family-particularly what makes a mother. As the fate of Sarajevo converges with Gemma's all-consuming desire to have a child we see how far she is driven, in a stunning revelation that is both heartbreaking and cathartic. Brought to life by an unforgettable cast of characters, Twice Born is a tale of the acts of brutality and generosity that war can inspire. A blockbuster bestseller in Mazzantini's native Italy, it has taken Europe by storm and will soon be published around the world.

La ballerina sugli scogli - Davide Attinà 2016-09-23

Falsi cartomanti, astrologi, numerologi, scegliete voi. Un call center, quello dove ho lavorato io. Un'esperienza ai limiti della legalità, ben oltre quelli della moralità. Una truffa in piena regola di cui si rendono corresponsabili tutti coloro che prenotano un consulto telefonico. E sono tantissimi! E non immaginate quanti! E potrei essere io, tu, mia zia, suo nipote, la nonna, la badante, l'uomo d'affari, il giocatore incallito, l'amante, il fedifrago,

l'adolescente, il malato terminale. Il contenuto delle telefonate è autentico. Le vicende narrate si basano su fatti realmente accaduti. Uno spaccato della società attuale che trae origine dal nostro dono più potente, la capacità di creare illusioni... e di crederci. Il tutto in equilibrio tra ciò che è giusto e ciò che è sbagliato, in bilico tra l'insensatezza di un lavoro assurdo e la necessità di sopravvivere, un piacere che nasce all'apice della sofferenza, altrui e propria, un po' come quello assaporato da una ballerina che danza in punta di piedi su scogli scivolosi, spugnosi, taglienti.

L'umana impresa - Giovanni Matera
2021-08-15

“L’Umana Impresa” di Giovanni Matera mi ha fatto emozionare, come se riscoprissi all’improvviso una parte recondita riservata ai miei talenti che, nel tempo, col tempo, per ovvietà di cose, avevo inconsapevolmente accantonato. Li ho rivisti brillare quei talenti, come se fossero tornati alla luce, come se fossero nati nuovamente. Freschi di vigore. Arditi e giovani. Ho avuto l’onore di leggerlo in anteprima, e se in questo momento dovessi riconoscergli una sensazione particolare, direi senza ombra di dubbio che “l’Umana Impresa” mi ha riportata a casa, perché profuma di focolare, profuma di sicurezza e di famiglia. Profuma un po' di me e di ognuno dei sognatori a oltranza che mai hanno relegato in un cassetto le aspirazioni di una vita intera.

Marilena Frigiola - Scrittrice.
Giovanni Matera, attraverso citazioni, storie, testi di poesia, ci fa immaginare un futuro “avvincente e stimolante”, in cui i giovani potranno trovare entusiasmante lavorare in un’impresa, se incontreranno imprenditori di lunga visione: coltivare i propri sogni, ad esempio, può sembrare una massima abbastanza obsoleta oggidì, ma, convintamente portata innanzi da un imprenditore, diventa rivoluzionaria. The Eight Mountains - Paolo Cognetti
2018-03-20

*The book that inspired the film *Le Otto Montagne** For fans of Elena Ferrante and Paulo Coelho comes a moving and elegant novel about the friendship between two young Italian boys from different backgrounds and how their connection evolves and challenges them throughout their lives. "Few books have so accurately described the way stony heights can define one's sense of joy and rightness...an exquisite unfolding of the deep way humans may love one another" (Annie Proulx). Pietro is a lonely boy living in Milan. With his parents becoming more distant each day, the only thing the family shares is their love for the mountains that surround Italy. While on vacation at the foot of the Aosta Valley, Pietro

meets Bruno, an adventurous, spirited local boy. Together they spend many summers exploring the mountains' meadows and peaks and discover the similarities and differences in their lives, their backgrounds, and their futures. The two boys come to find the true meaning of friendship and camaraderie, even as their divergent paths in life—Bruno's in the mountains, Pietro's across the world—test the strength and meaning of their connection. "A slim novel of startling expansion that subtly echoes its setting" (Vogue), *The Eight Mountains* is a lyrical coming-of-age story about the power of male friendships and the enduring bond between fathers and sons. "There are no more universal themes than those of the landscape, friendship, and becoming adults, and Cognetti's

writing becomes classical (and elegant) to best tell this story...a true novel by a great writer" (Rolling Stone Italia).

The Betrothed - Alessandro Manzoni 1983-11-24

Set in Lombardy during the Spanish occupation of the late 1620s, *The Betrothed* tells the story of two young lovers, Renzo and Lucia, prevented from marrying by the petty tyrant Don Rodrigo, who desires Lucia for himself. Forced to flee, they are then cruelly separated, and must face many dangers including plague, famine

and imprisonment, and confront a variety of strange characters - the mysterious Nun of Monza, the fiery Father Cristoforo and the sinister 'Unnamed' - in their struggle to be reunited. A vigorous portrayal of enduring passion, *The Betrothed's* exploration of love, power and faith presents a whirling panorama of seventeenth-century Italian life and is one of the greatest European historical novels.

Marcovaldo - Italo Calvino 2012-10-26
A charming portrait of one man's dreams and schemes, by "the greatest

Italian writer of the twentieth century” (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he

anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece “conveys the sensuous, tangible qualities of life” (The New York Times).

Changemakers - Adam Arvidsson

This book argues that, as industrial capitalism enters a period of prolonged crisis, a new paradigm of 'industrious modernity' is emerging. Based on small-scale, commons-based and market-oriented entrepreneurship, this industrious modernity is being

pioneered by the many outcasts that no longer find a place within a crumbling industrial modernity. This new industriousness draws on the new planetary commons that have been generated by the globalization of industrial capitalism itself. The outsourcing of material production to global supply chains has made the skills necessary to engage in commodity production generic and common, and the globalization of media culture and the internet have generated new knowledge commons. Together these new commons have radically reduced the capital requirements to engage in economic activity, and are providing new, highly efficient tools of productive organization at little cost. This timely analysis of the new forces of change in our societies today will be

of great interest to anyone concerned with the impact of digital technologies and the future of capitalism.

Shamanic Depossession - MR Peter

Salomone 2014-09-02

"I've written this book to demystify a spiritual healing practice that is deeply misunderstood, of wonderful benefit, and much needed on a scale few people would suspect.

Depossession has been part of the "natural hygiene," so to speak, of countless human communities in many cultures through all time. This book is based upon my extensive first-hand experience performing depossession for many ordinary people: the friends, family and neighbors we all know, whose sufferings have arisen from an unsuspected and widely denied cause. "This is a form of healing

that is so personal, natural, effective, humane, non-invasive, and inexpensive, that I wish to rescue it from the fringes of society, where it is regarded with doubt in our culture. Fortunately, the tide is slowly turning, as people are awakening to the deeper currents of the world's spiritual traditions." The book addresses these topics: (1) The realities of death, the Afterlife, and the common event in which disembodied spirits who do not cross over invade the energetic field of the living. (2) The variety of circumstances surrounding these spirits, and what determines the vulnerability of those they invade. (3) The various pathways that lead people to seek out and accept shamanism, in our spirit-denying culture. (4) The act of depossession

itself: the dynamics that take place between the shaman, the client, and the invasive spirit. (5) A critique of exorcism, which addresses the same challenge in an essentially negative manner, and produces undesirable results as well. (6) The integrative process that a person experiences following depossession. (7) A first-hand account of depossession by a client of mine. (8) Reliable resources for further study." Peter Salomone is a shamanic practitioner who has focused upon Core Shamanism since 1990. A graduate of the Foundation for Shamanic Studies, his own apprenticeship involved extensive training with Michael Harner, Sandra Ingerman, Alicia Luengas Gates, and Carlos Sauer. Peter is the founder of the Greenstone Shamanic Circle, and a member of the circle of the

Foundation for Shamanic Studies and the Society of Shamanic Practitioners. Peter works in both the U.S. and Italy, where he co-founded, with Rachele Giancaspro, the Associazione Visione Sciamanica.

In desperation,

the FBI assigns the case to maverick agent Will Piper, once the most accomplished serial killing expert in the bureau's history, now on a dissolute spiral to retirement. Battling his own demons, Will is soon drawn back into a world he both loves and hates, determined to catch the killer whatever it takes.
