True Dog Stories - Lilian Gask 1950

The Dogs of Bedlam Farm - Jon Katz 2004-10-05

BONUS: This edition contains an excerpt from Jon Katz's *Going Home*. "Dogs are blameless, devoid of calculation, neither blessed nor cursed with human motives. They can't really be held responsible for what they do. But we can." -from *The Dogs of Bedlam Farm* When Jon Katz adopted a border collie named Orson, his whole world changed. Gone were the two yellow Labs he wrote about in *A Dog Year*, as was the mountaintop cabin they loved. Katz moved into an old farmhouse on forty-two acres of pasture and woods with a menagerie: a ram named Nesbitt, fifteen ewes, a lonely donkey named Carol, a baby donkey named Fanny, and three border collies. Training Orson was a demanding project. But a perceptive dog trainer and friend told Katz: "If you want to have a better dog, you will just have to be a better goddamned human." It was a lesson Katz took to heart. He now sees his dogs as a reflection of his willingness to improve, as well as a critical reminder of his shortcomings. Katz shows us that dogs are often what we make them: They may have their own traits and personalities, but in the end, they are mirrors of our own lives—living, breathing testaments to our strengths and frustrations, our families and our pasts. *The Dogs of Bedlam Farm* recounts a harrowing winter Katz spent on a remote, windswept hillside in upstate New York with a few life-saving friends, ugly ghosts from the past, and more livestock than any novice should attempt to manage. Heartwarming, and full of drama, insight, and hard-won wisdom, it is the story of his several dogs forced Katz to confront his sense of humanity, and how he learned the places a dog could lead him and the ways a doge could change him.

The Dog Who Healed A Family - Jo Coudert 2012-07-01

Three adopted children wreak havoc in their new home until an exceptional dog brings the family together. A lonely widow brings a talkative parrot into her quiet life and discovers a new understanding of "I love you". A down-on-their-luck family is forced to abandon their beloved sixteen-year-old dog until the "puppy express" carries her fifteen hundred miles back home. In this charming collection, readers will fall in love with the unlucky fawn who is saved by a nursing home, the troublesome rabbit who warms her way into a new family, and the good (German) shepherd who comforts the sick. These are true stories of hope, humour, triumph, loyalty, compassion, life and even death but most of all, these are stories of love and the extraordinary animals who make our lives richer for it.

Senta Story about a Very Special Dog - Monika Schimunek 2006-08

8/18/06 This book had to be addressed as one of fiction because of the real torment created by one vicious evil plotting scorned female controlled by Satan's own mind. The story is true, however all the names have been changed to protect the innocent, the publisher, and the Author. Three years of dedication and very hard work gathering information to present to the reader, starting from July 2003. False police reports made and found to be unfounded by the department, many case numbers that John Q public has access to. One female in a very big city that wanted to control all the dance arenas, and would stop at nothing short of murder to gain prominence among a few filthy underhanded worthless club owners. The main character Katherine was scorned by two ex lovers and wanted revenge to the point of absolute destruction to both of these educated and very striking men. An Emotional dance was performed by her to bring forth the Midnight Hour meant for complete ruin of these beautiful men. This book has exposed the underbelly of some unscrupulous dance studio renters that prey on innocent widows and other caring people that have had a loss of a loved one. These poor people are cheated out of large sums of money and given false hope in return, because of their need to feel wanted and accepted by others, they are hurting so bad and simply want to be loved once again. One very arrogant down town club renter, because they rent the space, has such a love of himself, that he truly believes he is the King of Los Vegas, how pathetic, small man syndrome comes to mind with this little person.

Dearest Pet - Midas Dekkers 2000-11-17

"People love animals—a stroke here, a pat there, a quick nuzzle in

that gorgeous fur ... the amount of cuddling they get can make you jealous. In Holland, dogs are caressed more than people. Not as thoroughly, though: that one spot, somewhere down below, generally remains untouched ..." Generally, but certainly not always. Kinsey's research showed that 8 per cent of men and 3.5 per cent of women had had sex with an animal, and that in rural areas the figure for men was closer to 50 per cent. Yet bestiality is almost universally condemned. While our love for animals is extolled as noble and "natural," all erotic elements in the relationship between humans and other species are vilified and proscribed, thus consigning them to the realm of exotic pornography or crude innuendo. Even so, something remains of physical love for animals. In different forms, sublimated or occasionally celebrated, its traces can be found throughout art and popular culture: in Leda and the Swan, Beauty and the Beast or the Lorelei; in a lubricious menagerie of satyrs and centaurs, wolfmen and vampires, all the way through to King Kong and Fritz the Cat, pony clubs and amorous dolphins, or even advertisements for luxury catfoods. Dearest Pet uncovers and explores those traces, illuminating the ambivalence of human attitudes to cross-species sexuality. Its author, the biologist and broadcaster Midas Dekkers, has analysed bestiality in all its aspects—physical, psychological and legal—and examined its representations in religion and mythology, art and literature, pornography and advertising. Beautifully—and sometimes bizarrely—illustrated, his book is neither drily academic nor pruriently trivial, but erudite, witty and challenging: the first history of the last taboo. A book for animal lovers, and for those who are just their good friends.

Dogs and Love - Ferris Robinson 2013-03-06

Don't Dump the Dog - Randy Grim 2009-08-01

Do you want to dump your dog because he tries to escape your yard? Barks too much? You-know-whats in the house? Doesn't play well with others? Chewed up your favorite pair of shoes? You wouldn't be the first person asking to "return" your pet. And dog rescuer Randy Grim has heard every reason under the sun. But before you load Fido into the back of your car, read this book. In it, Randy addresses the concerns of dog guardians everywhere by responding to letters that he's actually received. With humor, and from his vast experiences with abandoned dogs, he reveals exactly what you can do to remain calm and fix every bad behavior problem. (Even if it means dumping your husband instead of the dog.)

The Story of Rose - Jon Katz 2012-08-06

From the acclaimed author of *A Good Dog*, *Dog Days*, and *Going Home* comes this eBook original—a poignant memoir that celebrates Jon Katz's beloved border collie, Rose, and their transformative years together on Bedlam Farm. "I like to say you get the dog you need," Jon Katz writes, "and I don't think any human ever needed a dog more than I needed Rose in the fall of 2003." That year, Katz embarked on a quixotic quest, moving from the suburbs of New Jersey to a sprawling farm in upstate New York to pursue his dream of becoming a writer. And by his side was Rose, his unswervingly loyal and unflappable new dog. Whether herding sheep on the rolling hillsides, rounding up the neighbors' stray cows, or rescuing lambs on a freezing winter night, Rose had a nimble mind and a great love for work. Never wanting to be coddled, she watched over Bedlam Farm with singular focus and efficiency, protecting Katz and his menagerie from wild coyotes and menacing storms. Yet Rose saved Katz in more ways than he ever imagined. As he struggled to manage the farm's daily dramas—and continued to seek his true sense of purpose—Rose connected him to his deeper humanity and a more authentic life. With warmth, insight, and emotional honesty, Jon Katz has written a joyful remembrance of a one-of-a-kind dog. *The Story of Rose* reaffirms the profound bond people share with their pets, and the ways that animals indelibly shape our lives. "Jon Katz understands dogs as few others do, intuitively and unburdened by sentimentality. . . . With wisdom and grace, he unlocks the canine soul and the complicated wonders that lie within and offers powerful insights."—John Grogan, author of *Marley & Me* Includes moving excerpts from *Going Home*, and from Jon Katz's upcoming short-story collection, *Dancing Dogs*.

Dog House - Carol Prisant 2010-05-06

Dog House wasn't supposed to be a book about love. It was supposed to be a hugely funny account of the dogs in Carol Prisant's life. And not just the dogs, but that first bird she found at Woolworth's, the monkey that fell in love with her husband's leg, the thankless tiny turtle, and the goldfish her pet- challenged mother flushed down the toilet. Somehow though, this straightforward telling got a little blindsided by things like making marriage work and home- owning and children and a profession and her dear, supportive husband, Millard. Which is why the goldfish will just have to wait for the sequel. This book is still about cold noses, warm bellies, four on the floor, and a snuggler or two. Your basic fur family. It's also about the love of a mother for her son, a wife for her husband, a husband for some dogs, and the love it takes to make a haunted house a home. Your basic family furnishings. Throw in a lot of antiques, a couple triumphs over adversity, and a more-than-seems-fair share of heartbreaking loss and you have *Dog House*--the warm, absorbing, and humorous tale of dogs and marriage, love and marriage and life.

Seven True Dog Stories - Margaret Davidson 1977

A collection of seven true stories relating the adventures of such dogs as Dox, a dog detective, Grip, a dog thief, and Sascha, a seeing eye dog.

Loving Animals - Joanna Bourke 2020-11-05

Sex with animals is one of the last taboos but, for a practice that is generally regarded as abhorrent, it is remarkable how many books, films, plays, paintings, and photographs depict the subject. So, what does loving animals mean? In this book the renowned historian Joanna Bourke explores the modern history of sex between humans and animals. Bourke looks at the changing meanings of "bestiality" and "zoophilia," assesses the psychiatric and sexual aspects, and she concludes by delineating an ethics of animal loving.
