Animation in Germany - Rolf
Giesen 2023-08-10

This book provides a
comprehensive account of
German animation history, as

Railway News, Finance and

well as an analysis of the current state of the industry in competition with American and cheaper international products in the face of dwindling budgets. Covering film and TV, 2D and 3D animation, this book considers how Europe has lost its domestic territory of narratives to international competitors. A connection is made between film history and contemporary history: World War I, the Weimar Republic, National Socialism, World War II, the Federal Republic and German Democratic Republic, Reunification, the European Union, Digitalization and Globalization, and a turn of eras initiated by pandemic, war, and inflation. This book will be of great interest to academics, students, and professionals working and researching in the field of animation.

How Venture Capital Works -

Phillip Ryan 2012-07-01
Explanations to the inner workings of one of the least understood, but arguably most important, areas of business finance is offered to readers in

this engaging volume: venture capital. Venture capitalists provide necessary investment to seed (or startup) companies, but the startup is only the beginning, there is much more to be explored. These savvy investors help guide young entrepreneurs, who likely have little experience, to turn their businesses into the Googles, Facebooks, and Groupons of the world. This book explains the often-complex methods venture capitalists use to value companies and to get the most return on their investments, or ROI. This book is a must-have for any reader interested in the business world.

The Oxford Book of Victorian Ghost Stories -

Michael Cox 2003

The Victorians excelled at telling ghost stories. In an age of rapid scientific progress, the idea of a vindictive past able to reach out and violate the present held a special potential for terror. Throughout the nineteenth century, fictional ghost stories developed in parallel with the more general Victorian fascination with

death and what lay beyond it. Though they were as much a part of the cultural and literary fabric of the age as imperial confidence, the best of the stories still retain their original power to surprise and unsettle. In *Victorian Ghost Stories*, the editors map out the development of the ghost story from 1850 to the early years of the twentieth century and demonstrate the importance of this form of short fiction in Victorian popular culture. As well as reprinting stories by supernatural specialists such as J. S. Le Fanu and M. R. James, this selection emphasizes the key role played by women writers--including Elizabeth Gaskell, Rhoda Broughton, and Charlotte Riddell--and offers one or two genuine rarities. Other writers represented include Charles Dickens, Henry James, Wilkie Collins, Sir Arthur Conan Doyle, and R. L. Stevenson. There is also a fascinating Introduction and a chronological list of ghost story collections from 1850 to 1910. *The Most Momentous Stories*

from the History of Unated States - Henrietta Elizabeth Marshall 2018-12-21

*Superhit Stories of Fyodor
Dostoyevsky* - Fyodor
Dostoyevsky 2021-01-01
A collection of selected short
and long stories by one of the
greatest Russian novelist, short
story writer, essayist, journalist

and philosopher Fyodor
Dostoyevsky. This collection
will explore human psychology
in the troubled political, social,
and spiritual atmospheres of
19th-century Russia, and
engage with a variety of
realistic philosophical and
religious themes through his
short stories.

*The Crocodile and Other
Stories (riverrun Editions)* -
Fyodor Dostoevsky 2019-10-31
'I have always been ridiculous,
and I have known it, perhaps
from the hour I was born' A
man goes mad because he is
happy. A civil servant behaves
like a monster at a wedding-
party. A man is swallowed by a
crocodile, but not eaten nor
seriously damaged.

Dostoevsky's stories inhabit
similarly volcanic atmospheres
as his novels, places of
curiosity and exception. They
resemble jokes and anecdotes,
told by volatile, voluble,
morbidly sensitive and
frustrated characters. These
narrators all have a tendency
to express themselves in
crescendos of conflicting
emotions, while the stories

themselves steer clear of grand conclusions. Michael Wood's selection of Dostoevsky's shorter works is drawn from the timeless translations of Constance Garnett whose work, he says in his preface, gives readers the best of several worlds.

New York Magazine -
1989-05-08

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Stories and Organization in the Anthropocene - Sideeq

Mohammed 2021-08-30

This book is about the stories

being told in the Anthropocene. Stories of irreparable damage being done to the global ecosystem, of sustainable growth, of dystopian collapse, of continued interspecies flourishing, of Gaia, and of accelerating capitalism's dynamics in order to discover its outside. Stories of change. Stories of hope. Against them all, this book seeks to braid together a particular thread of storying in order to speak to the emergence of the mall at the end of the world; a space where a new politics of "spectral capitalism" is played out. In doing so, we reflect that there never was any outside to Capital, that it can live forever, its performances and spectacles being preserved despite global ecological collapse. This book seeks to understand the nascence of the mall at the end of the world and the new people, thoughts, and dreams that come with it.

Christmas Collection - The Best Holiday Novels, Stories, Carols & Legends - Selma Lagerlöf
2022-11-13

Equity Storytelling - Veit Etzold 2014-03-10

Eine gute Story macht ein Unternehmen greifbar. Sie regt die Fantasie an. Denn der Mensch liebt Geschichten. Bei Unternehmenstransaktionen ist eine spannende Equity Story ein mächtiger Hebel, den Wert zu erhöhen. Der Preis steigt, wenn Investoren, Investmentbanker und Business Angels die Equity Story im Wortsinn abkaufen. Umso erstaunlicher ist: Viele Verkäufer von Unternehmensanteilen verzichten darauf, die Mittel des Storytellings für ihre Zwecke zu nutzen. Dabei gilt auch im Kontext von Mergers & Acquisitions, Private Equity und Venture Capital: Eine gute Equity Story ist mehr als glänzende Power Point-Präsentationen, optimistische

Zahlungsströme und komplexe Excel-Sheets. Equity Storytelling ist kreatives Handwerk, verbunden mit analytisch-strategischer Grundkompetenz. Das Standardwerk für alle, die Unternehmen oder Unternehmensteile kaufen und verkaufen.

The Book-leaf - Denver Public Library 1894

This Country of Ours: The Story of the United States -

H. E. (Henrietta Elizabeth) Marshall 2016-09-15

A classic, comprehensive survey of pre-20th Century American history, H.E. Marshall's This Country of Ours: The Story of America is a treasure trove of information and essential reading for young historians.

The Founder's Dilemmas -

Noam Wasserman 2013-04

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten

thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

Rap Capital - Joe Coscarelli

2022-10-18

"From mansions to trap houses, office buildings to strip clubs, Atlanta is defined by its rap music. But this flashy and fast-paced world is rarely seen below surface-level as a collection not of superheroes and villains, cartoons and caricatures, but of flawed and inspired individuals all trying to get a piece of what everyone else seems to have. In artistic, commercial, and human terms, Atlanta rap represents the most consequential musical ecosystem of this century so far. Rap Capital tells the dramatic stories of the people who make it tick, and the city that made them that way."--

Stories to Awaken the World - 2012-09-01

Stories to Awaken the World, the first complete translation of Xingshi hengyan, completes the publication in English of the famous three-volume set of Feng Menglong's popular Chinese-vernacular stories. These tales, which come from a variety of sources (some dating

back centuries before their compilation in the seventeenth century), were assembled and circulated by Feng, who not only saved them from oblivion but raised the status of vernacular literature and provided material for authors of the great Ming (1368-1644) and Qing (1644-1911) novels to draw upon. This trilogy has been compared to Boccaccio's Decameron and the stories of A Thousand and One Nights. Peopled with scholars, emperors, ministers, generals, and a gallery of ordinary men and women - merchants and artisans, prostitutes and courtesans, matchmakers and fortune-tellers, monks and nuns, thieves and imposters - the stories provide a vivid panorama of the bustling world of late imperial China. The longest volume in the Sanyan trilogy, Stories to Awaken the World is presented in full here, including sexually explicit elements often omitted from Chinese editions. Shuhui Yang and Yunqin Yang have provided a rare treat for English readers: an unparalleled view

of the art of traditional Chinese short fiction. As with the first two collections in the trilogy, Stories Old and New and Stories to Caution the World, their excellent renditions of the forty stories in this collection are eminently readable, accurate, and lively. They have included all of the poetry that is scattered throughout the stories, as well as Feng Menglong's interlinear and marginal comments, which convey the values shared among the Chinese cultural elite, point out what original readers of the collection were being asked to appreciate in the writer's art, and reveal Feng's moral engagement with the social problems of his day. The Yangs's translations rank among the very finest English versions of Chinese fiction from any period. For other titles in the collection go to <http://www.washington.edu/uwpress/books/ming.html>

Scientific American - 1849
Monthly magazine devoted to topics of general scientific interest.

SELECTED STORIES OF

DOSTOEVSKY - Fiodor Dostoevsky 2021-01-01
his collection, unique to the Modern Library, gathers seven of Dostoevsky's key works and shows him to be equally adept at the short story as with the novel. Exploring many of the same themes as in his longer works, these small masterpieces move from the tender and romantic White Nights, an archetypal nineteenth-century morality tale of pathos and loss, to the famous Notes from the Underground, a story of guilt, ineffectiveness, and uncompromising cynicism, and the first major work of existential literature.

Humorous American Short Stories - Bob Blaisdell
2013-09-18

Featuring James Thurber's "The Secret Life of Walter Mitty," the basis of the 2013 motion picture, this anthology of 30 entertaining tales includes works by Benjamin Franklin, Harriet Beecher Stowe, O. Henry, Mark Twain, Dorothy Parker, Langston Hughes, and others.

The Works of William Carleton: Traits and stories of the Irish peasantry. The black prophet. Wild Goose lodge. Tubber Derf. Neal Malone. Art Maguire - William Carleton 1881

Lizz Free or Die - Lizz Winstead 2012-05-10
Lizz Winstead, co-creator of The Daily Show and one of today's most hilarious comedians and insightful social critics, pens a brilliant account of how she discovered her comedic voice. In this collection of autobiographical essays, Winstead vividly recounts how she fought to find her own voice, both as a comedian and as a woman, and how humor became her most powerful weapon in confronting life's challenges. Growing up in the Midwest, the youngest child of conservative Catholic parents, Winstead learned early in her life that the straightforward questions she posed to various authority figures around her-her parents, her parish priest, even an anti-abortion counselor -prompted many startled looks and uncomfortable silences, but few answers. Her questions rattled people because they exposed the inconsistencies and hypocrisies in the people

and institutions she confronted. Yet she didn't let that stop her from pursuing her dreams. Funny and biting, honest and poignant, this no-holds-barred collection gives an in-depth look into the life of one of today's most influential comic voices. In writing about her childhood longing to be a priest, her role in developing The Daily Show, and of her often problematic habit of diving into everything head first, asking questions later (resulting in multiple rescue-dog adoptions and travel disasters), Lizz Winstead has tapped an outrageous and heartfelt vein of the all-too-human comedy.

Rediscover Your Holiday Sparkle: 400+ Christmas Novels, Stories, Poems, Carols & Legends - Selma Lagerlöf
