Affirmations for the Inner Child - Rokelle Lerner 2010-01-01

All of us need positive affirmation throughout our lives. As children, these powerful messages helped us to know that we were worthwhile, that it was all right to want food and to be touched, and that our very existence was a precious gift. The messages that we received from our parents helped us to form decisions that determined the course of our lives. If we were raised with consistent, nurturing parents, we

conclude that life is meaningful and that people are to be trusted. If we were raised with parents who were addictively or compulsively ill, we determine that life is threatening and chaotic--that we are not deserving of joy. These are the crucial decisions that impact our lives long after we have forgotten them. Unfortunately, childhood judgments don't disappear. They remain as dynamic forces that contaminate our adulthood. When childhood needs are not taken care of because of abuse or abandonment, we spend our lives viewing the world through the distorted perception of a needy infant or an angry adolescent. The more we push these child parts away, the more control they have over us. This collection of daily meditations is dedicated to those adults who are ready to heal their childhood wounds. It is through this courageous effort that we will move from a life of pain into recovery.

In this deep focus Inner Child Healing workbook, we go into the unconscious and into your childhood for answers. We go into a deep state of meditation (Hypnotherapy) to take a journey of consciousness - first healing your inner child, then to connect with your Twin Flame's higher self, before finally bringing the two together to illuminate and heal the inner, unconscious dynamic between you and eradicating any blocks between you. Dealing with issues on this level helps us bypass the ego's resistance mechanisms

I've experienced first-hand that inner child wounds can be big blocks on the Twin Flame journey - the child aspect of our consciousness is holding onto a lot of fears and damaging beliefs we're unaware of as an adult. There are a lot of unhappy adults out there whose inner child is holding the answers. So, practice these therapeutic and self- healing worksheets and therapies mentioned every day for inner child healing and eradication energy blocks preventing you from uniting with your ultimate love / Twin Flame. Jasmine Rana (Spiritual Psychologist)
Healing the Child Within - Charles L. Whitfield 1987

Have you ever heard of your inner child? Well, this is the classic book that started it all. In 1987, Charlie Whitfield's breakthrough concept of the child within—that part of us which is truly alive, energetic, creative and fulfilled—launched the inner child movement. *Healing the Child Within* describes how the inner child is lost to trauma and loss, and how by recovering it, we can heal the fear, confusion and unhappiness of adult life. Eighteen years and more than a million copies sold later, *Healing the Child Within* is a perennial selling classic in the field of psychology. And it is even more timely today than it was in 1987. Recent brain research, particularly on the effects of trauma on the brain of developing children, has supported Whitfield's intuitive understanding as a

psychiatrist. About HCI Recovery Classics

Discovering the Inner Mother - Bethany Webster
2021-01-05

Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother

Wound—the systemic disenfranchisement of women by the patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have, stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-

love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, Discovering the Inner Mother revolutionizes how we view mother-daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately create a more equitable society for all.

[How to Heal Your Inner Child](#) - Simon Chapple 2021-12-09

'A masterclass in understanding' ANNIE GRACE, author of *This Naked Mind* Ten questions to ask yourself, right now: * Do you have a sense that something is wrong, but you don't know what it is? * Do you have a feeling that you are hollow inside, that you are empty or have a void within? * Do you react badly to rejection? * Do you often feel sad, unhappy or down for no obvious reason? * Would you describe yourself as highly sensitive? * Do you have problems with relationships and intimacy? * Do you

engage in addictive behaviour - alcohol, drugs, gambling, shopping, food, sex, work, exercise? * Do you have low self-esteem or self-worth - are you not 'good enough'? * Do you have a sense of being numb to your feelings? * Do you rarely experience true joy and happiness? If you have answered 'yes' to most of these questions, there is a strong chance you have experienced emotional neglect or trauma as a child. An emotionally neglected child may struggle to form strong and secure attachments as an adult. They may feel hollow or empty, worthless (or overly important), judge themselves harshly and struggle with addictive tendencies - drinking, eating or exercising too much, for example. Former heavy drinker turned sobriety coach Simon Chapple is -

like you - a survivor of childhood trauma. Reclaiming the Inner Child - Jeremiah Abrams 1990

The child is the father of the man. --

Wordsworth The inner child, that vital but submerged part of the self that connects us to both the joy and sadness of our childhood, is a key to our achieving fullest expression as adults. "This child entity," says our editor Jeremiah Abrams, "is the self we truly are and have always been, living within us in the here and now." This volume, a collection of 37 wide-ranging articles, defines and gives concrete reality to the abstract image of the inner child, revealing it to be the unifying symbol of the self, a symbol that represents, according to Carl Jung, "the part of the human personality which wants to develop and become whole." The essays from depth psychology, literature, the 12-Step Program perspective, and other disciplines are woven together with Abrams' thoughtful commentary to address the compelling themes the inner child brings to our awareness. Many of the selections address

very practical objectives. - Realizing the promise of the child within and living out its destiny. - Reclaiming the innocence, playfulness, and wonder of the child in adulthood. - Healing the abandoned or abused inner child and resolving old traumas. - Tapping the child as symbol for our creative energy. - Forgiving our parents. - Developing compassionate awareness to be a better parent. - Completing the deverse unfinished business of childhood.

The Healing Your Aloneness Workbook - Erika Chopich 2015-02-12

Heal the aloneness, emptiness, and false beliefs that lead to addictive behavior. With this six-step Bonding(R) process, you can heal past wounds by re-parenting the Inner Child and overcome obstacles that prevent you from progressing in life. Based on the pioneering principles featured in Healing Your Aloneness and Inner Bonding, this

easy-to-use workbook gently guides you through a powerful spiritual healing process. Whether you use it in conjunction with aforementioned books or on its own, this guide can connect us with our Inner Child, our loving Adult, and our Higher Power ultimately to create loving relationships with others. It is a lack of a loving Adult that leads to aloneness, alienation, emptiness, and resulting addictions to substances, processes, and people. This process allows an integrated self to emerge, one that combines the playfulness, creativity, and intuition of a child with the wisdom, strength, and nurture of a loving Adult. The Healing Your Aloneness Workbook demonstrates how you can connect with

your essence to help cultivate personal empowerment and loving relationships. Erika J. Chopich, PhD, has been a psychotherapist, noted speaker, and workshop leader. She is the co-creator of the Inner Bonding Process and co-author of Healing Your Aloneness. She has appeared on numerous radio and television shows. Healing Your Lost Inner Child - Robert Jackman
2020-08-06

Most people don't realize how much unresolved emotional pain they carry around. They don't know why they always feel depressed, anxious, victimized, or disappointed. They wonder why they keep

making the same self-sabotaging impulsive decisions. These patterns often stem from their lost inner child, which carries a false narrative that has been on repeat since childhood. The hurt emotions resulting from childhood experiences of abuse, neglect, or trauma show up in adulthood as explosive anger, isolation, bad relationship choices, negative self-talk, feelings of being overwhelmed, being a people pleaser, and keeping others at arm's length. In *Healing Your Lost Inner Child*, Psychotherapist and Reiki master Robert Jackman takes you on a personal journey to explore unresolved wounds from your early life using the HEAL process for healing and embracing an authentic life. Through stories and exercises, this easy-to-read book will encourage you to learn how to stop giving in to your wounded inner child's emotional pain frozen inside a snow globe within you. Each chapter gently takes you closer to this

original wounding so you can acknowledge and finally heal your pain. Move from being an impulsive reactor to an authentic, conscious creator in your life. The Healing Your Lost Inner Child Companion Workbook is also available to help you develop a deeper understanding of your relationships, codependency patterns and triggers, and create a self-nurturing plan. The struggles we encounter as adults in all area's of our live's, come directly from

unresolved childhood pain that still resides deep within us. *Journey to the Inner Child Workbook*, shows you how to navigate back to your inner child and connect with all the feelings and memories that created the pain that you still carry as an adult. By doing this you free yourself from self judgment and self punishment. You will then have the ability to accept where and how the pain came into your life as a child. Your adult life will then reflect your sense of inner peace. *Homecoming* - John Bradshaw 2013-04-24 Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often “lose it” in hurtful ways? Do you crave intimacy but sometimes wonder if it’s worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying

within you a “wounded inner child” that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. *Homecoming* includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No

one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.

Healing Your Lost Inner Child Workbook -

John Kingov 2023-07-12

You likely bought this book due to an unspoken pattern of relationships you have in your daily life you're exhausted of repeating, and you want it to end. Perhaps you've attempted to change something to break the cycle. Perhaps you've tried methods of bandaging. Perhaps you've even

been for therapy, but the old patterns continue to show daily. It's not working. Have you ever thought about these questions? Why am I repeating the same errors throughout my life? How can I be so surrounded by negative people? Does it feel like I've got a hole in my body that isn't going out? Why will I surrender my power and let others decide my character? Why aren't my feelings important? Why can I keep people, even the good ones, away? Why am I unable to allow them to enter? Why do I insult others verbally and then swear that I will not repeat it? What is the reason it is so hard to love? Am I even loveable? What is it that makes me feel so angry and hurt? Why must I do all this to benefit others but do nothing for me? Why am I able to self-sabotage? What makes me think that I'm a loser and unworthy? We've had to ask ourselves these kinds of questions at some point or other. Many

people attempt to answer these questions independently or seek out their friends or family to help them figure out what's wrong. It is common for people to get numerous unhelpful comments from people and then become less clear than they have ever. People are likelier to share what they'd do, just like getting advice from bumper stickers.

DO YOU WANT TO GET WELL? The power to heal—physically, mentally, emotionally, spiritually—is in God’s hands. But the choice to be healed is yours. Everyone, at some level, needs healing. You may have prayed for healing many times, for many years. Perhaps you have lived with your brokenness so long that you have become accustomed to it. Maybe you wonder just when God is going to take all the hurt away. He can. But you also must choose to let the hurt go and let the healing begin. In this special edition of *Healing Is a Choice*, author Stephen Arterburn offers a unique combination of book and workbook,

outlining ten choices crucial to receiving healing. Embracing these choices means rejecting the lies we often tell ourselves. These are not hoops God requires you to jump through to earn your miracle; they form, instead, the journey He desires for you. He can—and will—walk with you. But you must put one foot in front of the other and choose to let the hurt go and let the healing begin. “His Word affirms that God wants us to experience His healing, but many times we make choices that stand in the way. *Healing Is a Choice* is a helpful resource that lays out the path of healing God’s way.” — JACK HAYFORD Founding pastor, The Church on the Way, Van Nuys, CA “When we look back at the past turns and twists in the pathways of our lives, we can see significant choices we made, which helped create the lives we have now. Stephen Arterburn has provided us with a guide for making the right decisions today

to provide a redemptive path for tomorrow.”
—JOHN TOWNSEND Coauthor of the
bestseller *Boundaries* “I am asking you to
give up your life as you know it so that you
can find the life God has for you. Take hold
of your future today and make the choices
that will lead to your healing.” —STEPHEN
ARTERBURN “He heals the brokenhearted
and binds up their wounds.” —Psalm 147:3
Healing Your Aloneness - Margaret Paul
2012-10-23

Erika Chopich and Margaret Paul show how
anyone can reconnect with his or her Inner
Child to short-circuit self-destructive
patterns, resolve fears and conflicts, and
build satisfying relationships. *Healing Your
Aloneness* outlines a self-healing process
that can be used every day to restore a
nurturing balance between loving Adult and
loved Inner Child.

Inner Bonding - Margaret Paul 2012-10-16
Inner bonding is the process of connecting

our adult thoughts with our instinctual, gut
feelings—the feelings of the "inner
child"—so that we can minimize painful
conflict within ourselves. Free of inner
conflict, we feel peaceful, open to joy, and
open to giving and receiving love. Margaret
Paul, coauthor of *Healing Your Aloneness*,
explores how abandonment of the inner
child leads to increasingly negative and
destructive feelings of low self-worth,
codependence, addiction, shame,
powerlessness, and withdrawal from
relationships. Her breakthrough inner
bonding process teaches us to heal past
wounds through reparenting and clearly
demonstrates how we can learn to parent in
the present. Real-life examples illustrate the
dynamics of the healing process and show
the benefits we can expect in every facet of
our lives and in all our relationships. *Inner
Bonding* provides the tools we need to forge
and maintain the inner unity that makes our

family, sexual, work, and social relationships productive, honest, and joyful.
