Sample chapter: Book of John About this book John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not

describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1 The Word became human 1 In the beginning, the Word was already there. The Word was with God. The Word was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.

HOW TO STUDY - R. A. Torrey 2016-08-09

How can we find more enjoyment in studying the Bible? How can we make our study periods more productive? What circumstances contribute to effective personal study? How can we derive real benefit and pleasure from our Bible reading? From what activities can time be bought out for reading and studying the

Bible? Why should we watch our spiritual feeding habits? What benefits come from reading and studying the Scriptures? There is a great and constantly growing interest in the study of the English Bible in these days. However, very much of the so-called study of the English Bible is unintelligent and not fitted to produce the most satisfactory results. The authors of this book already have a book entitled "HOW TO STUDY: Study the Bible for the Greatest Profit," but that book is intended for those who are willing to buy out the time to put into thorough Bible study. The present book is intended, first of all, to impress men and

women with the Importance and Value of Bible Study; secondly, to show busy men and women how to get the most out of their Bible Study; thirdly, to set forth the fundamental principles of correct Biblical Interpretation.
