Maa Meri Kayenaat -

About The Book want to dedicate this book to my mother, for the mother who gave birth to me, mother is not a character that can be explained, mother is such an image of motherly love where

love is such a store of blessings that will not end till death May mother have raised me in the shade of her lap, has done so many favors, whose debt can not be fulfilled even after taking seven births, my mother is like air to me, as air is

necessary to breathe, as without air There is no existence of a human being, similarly I have no existence without my mother, it is necessary to drink water to stay alive, in the same way it is necessary to have my mother in my life, like a garden without a gardener becomes deserted, like this my life I am deserted without my mother, like a garden smells of flowers, in the same way my life smells like a mother's lap, like a little kopal blooms, in the same way, my mother's smile comes out in my life like springs of happiness. I sing songs like this, my mother's speech brings happiness in my life, my mother's shadow is my voice In my words, in my character, in my speech, in my laughter, in my crying, in my silence, in my prayers, in my failure, in my success, my mother's expression is visible in my every word God gave me a wonderful personality like my mother My mother's lap is always spread in God's court for my success Sheeba is belong from Aligarh she has completed M.A and b. Ed from Aligarh Muslim

Indian and World Geography - Majid Husain 2020

ONE DIRECTION - 2023-02-11

Direction is something that guides us to find our way. We are differently pursuing our ways by following different directions. Earth rotates in its

own direction. Moon is also busy and moves around its direction. We saw an eagle chasing a snake to have lunch. We observe many insects hovering around the light at night. Some are directed towards North, South, East and West. Some are heading towards the sky and some are tearing the waves of the ocean to find the desired direction. Actually, life itself is a journey that follows a particular direction towards the future. In fact, we can observe directions everywhere, those directions only differ in different destinations. Directions are a journey that leads us to find our destination. Some people find their way and some are lost and become directionless. It depends upon us which direction we follow. Sometimes, we are also confused in choosing the exact direction. Because, when directions become more than one for a single destination then it happens. Let's seek true direction that can help us in finding our way.

India After Gandhi: The History of the World's

Largest Democracy - Ramachandra Guha

2017-07-13

Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles,

humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

The Selfish Giant - Oscar Wilde 2019-10-15

"The Selfish Giant" is a short fantasy story for children by the Irish author Oscar Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".
