Books Out-of-print - 1986

Song for A Whale - Lynne Kelly 2019-02-05
A stirring and heart-warming tale of a young deaf girl who is determined to make a difference, the perfect read for fans of Wonder. Iris was born deaf, but she's never let that define her; after all, it's the only life she's ever known. And until recently she wasn't even very lonely, because her grandparents are both deaf, too. But Grandpa has just died and Grandma's not the same without him. The only place Iris really feels at home anymore is in her electronics workshop where she loves taking apart antique radios. Then, during a science lesson about sound waves, Iris finds out about a whale who is unable to communicate with other whales. The lonely whale awakens something in Iris. She's determined to show him that someone in the world knows he's there. Iris works on a foolproof plan to help the whale but she soon realizes that that is not enough: Iris wants to find the whale herself. One stolen credit card, two cruise ship tickets, and the adventure of a lifetime later, Iris and the whale each break through isolation to help one another be truly heard in ways that neither had ever expected. Winner of the Schneider Family Book Award, young children category, for books that embody an artistic expression of the disability experience.
Erudite Eyes - Tine Luk Meganck 2017-06-12
Erudite Eyes explores how friendship between artists and humanists in the network of Abraham Ortelius (1527-1598) produced an antiquarian

culture that yielded new knowledge on local antiquities and distant civilizations and that articulated artistic practice between Bruegel and Rubens.

The Youth Guide to Forests - Food and Agriculture Organization of the United Nations 2018-06-06

This fact-filled guide explores forests from the equator to the frozen poles, the depths of the rainforest to the mountain forests at high altitudes. It also demonstrates the many benefits that forests provide us with, discusses the negative impacts that humans unfortunately have on forests and explains how good management can help protect and conserve forests and forest biodiversity. At the end of the guide, inspiring examples of youth-led initiatives and an easy-to-follow action plan will help young people develop their own forest conservation activities and projects.

Forthcoming Books - Rose Arny 2000

American Book Publishing Record Cumulative, 1950-1977 - R.R. Bowker Company. Department of Bibliography 1978

Reinventing Organizations - Frederic Laloux 2014

Every time humanity has shifted to a new stage of consciousness in the past, it has invented a new way to structure and run organizations, each time bringing breakthroughs in collaboration. The organizations researched for this book have

already "cracked the code." Their founders have fundamentally questioned every aspect of management and have come up with entirely new organizational methods. This book describes in practical detail how organizations large and small can operate in this new paradigm.

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. *Sea Scout Manual* - Boy Scouts of America 1987

Yoga Sequencing - Mark Stephens 2012-09-18
Yoga Sequencing: Designing Transformative Yoga Classes presents the essential principles and methods for planning and sequencing yoga classes. Addressing one of the most popular topics in the yoga profession, this book offers sixty-seven model sequences of yoga poses (asanas) that cover the broad range of yoga student experience, including multiple sequences for beginning, intermediate, and advanced

students; yoga for kids, teens, women across the life cycle, and seniors; classes to relieve depression and anxiety; and sequences for each of the major chakras and ayurvedic constitutions. Each sequence provides guidance for teaching the different breathing (pranayama) and meditation techniques that give yoga its transformative power. Enhanced with over 2,000 instructional photos and an elaborate guide to the constituent elements of over 150 yoga asanas, the book draws equally from ancient yoga philosophy and contemporary insights into functional anatomy, biomechanics, and kinesiology. The nuanced interrelationships among asanas within and between the seven asana families are explored and the anatomy of opening and stabilizing each pose is explained for sequences designed around specific needs and intentions. A comprehensive appendix includes a glossary of yoga-related terms, an alphabetical asana index with thumbnail photographs of each asana, a class planning worksheet, representative sequences from several popular styles of hatha yoga, and a list of resources for further exploring sequencing and the larger practice of teaching yoga. From the Trade Paperback edition.

Microsoft Word 2003 - Jennifer A Duffy 2004-04

Help users master computer skills quickly and easily with this colorful, highly-visual Illustrated Course Guide for Word 2003. Lessons are presented in an easy-to-follow 2-page spread that introduces step-by-step instructions on the left page and large screenshots and illustrations on the right. This signature, streamlined approach allows continuing education students learn quickly, while also serving as an excellent reference tool.

Inside - Susan Marie Conrad 2016-05-15

The Ocean is calling me. This is my Journey. With these words, in the spring of 2010, Susan Marie Conrad scaled her world down to an 18-foot sea kayak and launched a solo journey that took her north to Alaska. With no sense of where she belonged in space and unreconciled feelings of a painful childhood following her, she decided that instead of running away, she would run toward her dreams. Her adventure took her along the western coast of North America, through the Inside Passage—a 1,200-mile ribbon of water—in

a journey of the sea and soul. The expedition took her deep within herself, humbling her, healing her, helping her to discover the depths of her own strength and courage. On her way from Anacortes, Washington, to Juneau, Alaska, she grappled with fear and exhaustion, forged friendships with quirky people in the strangest places, endured perilous weather and angry seas, and pretended not to be intimidated by 700-pound grizzly bears and 40-ton whales. She lived her dream.

Cloud Atlas - David Mitchell 2012-11-22

CLOUD ATLAS, David Mitchell's bestselling Man Booker Prize-shortlisted novel which was also one of Richard & Judy's 100 Books of the Decade, has now been adapted for film. In this enhanced edition you can read the original novel along with a new essay by David Mitchell about the transformation of his novel into a film, and watch four exclusive videos about the book and film. The major motion picture, directed by Lana Wachowski, Tom Tykwer, and Andy Wachowski, stars Tom Hanks, Halle Berry, Susan Sarandon, Jim Sturgess, Ben Whishaw, Jim Broadbent Hugo Weaving, Doona Bae, James D'Arcy, Zhou Xun, Keith David and Hugh Grant. The novel features six characters in interlocking stories, each interrupting the one before it: a reluctant voyager crossing the Pacific in 1850; a disinherited composer blagging a precarious livelihood in between-the-wars Belgium; a high-minded journalist in Governor Reagan's California; a vanity publisher fleeing his gangland creditors; a genetically modified diner server on death-row; and Zachry, a young Pacific islander witnessing the nightfall of science and civilisation. The narrators of CLOUD ATLAS hear each other's echoes down the corridor of history and their destinies are changed in ways great and small. Mitchell's other novels are GHOSTWRITTEN, NUMBER9DREAM, BLACK SWAN GREEN and A THOUSAND AUTUMS OF JACOB DE ZOET, all published by Sceptre.
