A Gushing Fountain - Martin Walser 2015-04-07

Appearing for the first time in English, this masterful novel by one of the foremost figures of postwar German literature is an indelible portrait of Nazism slowly overtaking and poisoning a small town. Semi-autobiographical, it is also a remarkably vivid account of a childhood fraught with troubles, yet full of remembered love and touched by miracle. In a provincial town on Lake Constance, Johann basks in the affection of the colorful staff and regulars at the Station Restaurant. Though his parents struggle to make ends meet, around him the world is rich in mystery: the attraction of girls; the power of words and his gift for music; his rivalry with his best friend, Adolf, son of the local Brownshirt leader; a circus that comes to town bringing Anita, whose love he and Adolf compete to win. But in these hard times, with businesses failing all around them and life savings gone in an instant, people whisper that only Hitler can save them. As the Nazis gradually infiltrate the churches, the school, the youth organizations—even the restaurant—and come to power, we see through Johann's eyes how the voices of dissent are silenced one by one, until war begins the body count that will include his beloved older brother. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Briefe Über Die Wienerische Schaubühne - Joseph von Sonnenfels 1884

Bilder Für Die Bibel - Marc Chagall 2011

KEYNOTE: This new edition of Chagall's beloved series of

prints inspired by the Old Testament recreates the vivid beauty of the artist's inspired work. "I did not see the Bible, I dreamed it It has always seemed to me ... the greatest source of poetry of all time." Marc Chagall Marc Chagall was captivated by the Old Testament, and its stories and heroes were a major influence on his work. First published in 1960 as a limited edition artist's book, this series of lithographs depicts some of the Bible's most beloved stories, including the Creation, the expulsion from Paradise, the rivalry of Cain and Abel, Hagar's escape to the desert, and Job's travails. Like all of his work, Chagall's depictions of these stories are filled with colour and bold strokes, symbolism and tradition, humanity and poetry. This new edition of Chagall's masterwork series of drawings adheres to the original edition in structure and design, with marvellously reproduced colour prints interspersed with black-and-white illustrations. The book includes philosopher Gaston Bachelard's original introduction and additional commentary by Beatrice Hernad. An enchanting introduction to the Old Testament, this book makes the perfect gift for Chagall enthusiasts and bibliophiles alike. AUTHOR: Beatrice Hernad is a librarian in the manuscripts department of the Bavarian State Library in Munich, Germany. She has published widely on Russian art and literature. Gaston Bachelard (1884-1962) was a French philosopher, who made contributions in the fields of poetics and the philosophy of science. ILLUSTRATIONS: 124 reproductions *

In Scripture Lands - Edward Livingston Wilson 1895

The Disobedient Kids - Nemcová Bozena 2014-08-02

These ten enchanting folktales from Czechoslovakia recount episodes of virtue rewarded and naughtiness punished. Charming illustrations grace the timeless stories of shepherd lads, orphan girls, wicked fairies, and impish animals. In the title tale, a sly and hungry fox benefits from some little goats' wayward behavior. "The Little Cock and the Little Hen" tells of a brave chicken's unflagging attempts to help her friend and teach him the value of honesty. "The Little Stars of Gold" recounts the repayment of a child's generosity, and "The House of Candy" offers a variation on the adventures of Hansel and Gretel. Other fables include "A Tale Without End," "Castle Bousin," "About Smolineck," "The Frog and Belinka," "A Story about Palecek," and "The Magician and the Cat."

If Someone Says "You Complete Me," RUN! - Whoopi Goldberg 2015-10-13

From the provocative and hilarious EGOT winner, bestselling author, and host of *The View*, Whoopi Goldberg, comes the perfect antidote to all those outdated relationship advice books in the world, weighing in on why marriage isn't for everybody, and how the life you want shouldn't be the life everyone else expects you to have. Whoopi Goldberg has been an electrifying, envelope-pushing public figure of many stripes: acclaimed actor, comedienne, singer, songwriter, author, political activist and talk show

host. Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. It occurred to me that as one who has done it badly often, I might have some insight. It's hard to really know the other person's agenda, but if someone says 'you complete me'...RUN!!!"

Identity and Locality in Early European Music, 1028-1740 - Jason Stoessel 2009

This collection presents numerous discoveries and fresh insights into music and musical practices that shaped distinctly localized individual and collective identities in pre-modern and early modern Europe. Contributions by leading and emerging European music experts fall into three areas: plainchant traditions in Aquitania and the Iberian peninsula during the first 700 years of the second millennium; late medieval musical aesthetics, traditions and practices in Paris, Padua, Prague and more generally England, Germany and Spain; and local traditions in Renaissance Augsburg and Baroque Naples and Dresden. In addition to in-depth readings of anonymous musical traditions, contributors provide new details concerning the lives and music of well-known composers. This book will appeal to a broad range of readers, including chant scholars, medievalists, music historians, and anyone interested in music's place in pre modern and early modern European culture.

The Pub and the People - Mass Observation 2011-11-03

Mass Observation was founded in 1937 with the aim of researching the everyday lives of ordinary people in Britain. One of its best-loved publications is *The Pub and the People* (1943), a unique study of one of Britain's best-loved pastimes, describing how people behaved in pubs, what and how much they drank, and the decor and layout of the average pre-war alehouse. Alongside sociological interest it offers amusing insights into an era when supping pints was only for the roughest customers, and beer was considered helpful not only to general health ('There is no bad ale, so Grandma said') but also (contra the porter in *Macbeth*) to the act of love. 'The authors of this book have unearthed much curious information.' George Orwell, *Listener* 'Anyone with an interest in the history of beer and pubs

in Britain ought to read it.' Boak and Bailey's Beer Blog

Himmelfarb - Michael Krüger 1994

Translation and Identity - Michael Cronin 2006-09-27

Michael Cronin looks at how translation has played a crucial role in shaping debates about identity, language and cultural survival in the past and in the present. He explores how everything from the impact of migration on the curricula for national literature courses, to the way in which nations wage war in the modern era is bound up with urgent questions of translation and identity. Examining translation practices and experiences across continents to show how translation is an integral part of how cultures are evolving, the volume presents new perspectives on how translation can be a powerful tool in enhancing difference and promoting intercultural dialogue. Drawing on a wide range of materials from official government reports to Shakespearean drama and Hollywood films, Cronin demonstrates how translation is central to any proper understanding of how cultural identity has emerged in human history, and suggests an innovative and positive vision of how translation can be used to deal with one of the most salient issues in an increasingly borderless world.

The Cultural Identity of Seventeenth-Century Woman - N. H. Keeble 2002-03-11

This anthology brings together extracts from a wide variety of seventeenth-century sources to illustrate the ways in which the cultural notion of 'women' was then constructed. historical circumstances of women's lives in the seventeenth century and the cultural notions of 'woman' which prevailed then. What did women and men think women should be? Over 200 extracts from books, pamphlets, diaries and letters are arranged under three main headings: female nature, character and behaviour; female roles and affairs; and 'feminisms.' Each chapter is introduced by N.H. Keeble who contextualises the extracts and draws out the main issues revised.

Bibliotheca Nummaria - C. E. Dekesel 1997

Artistry of the Mentally Ill - H. Prinzhorn 2013-11-11

No one is more conscious of the faults of this work than the author. Therefore some self-criticism should be woven into this foreward. There are two possible

methodologically pure solutions to this book's theme: a descriptive catalog of the pictures couched in the language of natural science and accompanied by a clinical and psychopathological description of the patients, or a completely metaphysically based investigation of the process of pictorial composition. According to the latter, these unusual works, explained psychologically, and the exceptional circumstances on which they are based would be integrated as a playful variation of human expression into a total picture of the ego under the concept of an inborn creative urge, behind which we would then only have to discover a universal need for expression as an instinctive foundation. In brief, such an investigation would remain in the realm of phenomenologically observed existential forms, completely independent of psychiatry and aesthetics. The compromise between these two pure solutions must necessarily be piecemeal and must constantly defend itself against the dangers of fragmentation. We are in danger of being satisfied with pure description, the novelistic expansion of details and questions of principle; pitfalls would be very easy to avoid if we had the use of a clearly outlined method. But the problems of a new, or at least never seriously worked, field defy the methodology of every established subject.

Second Through Brain - Melchior Vischer 2015

Fiction. Art. Translated from the German by David Vichnar and Tim König. Proclaimed as the first Dada novel & the literary equivalent of Cézanne, Melchior Vischer's *SECOND THROUGH BRAIN* (*Sekunde durch Hirn*, 1920) is composed as a series of disconnected vignettes that flash through the mind of one Jörg Schuh as he falls from the scaffolding of a 40-storey construction site. With its boldly idiosyncratic technique, Vischer's novel is a major document of the Zürich-Prague-Berlin Dada axis. Largely forgotten after World War II, *Sekunde durch Hirn* is an important rediscovered landmark of the inter-war European avant-garde, here translated into English for the first time.
