Theophilus North - Thornton Wilder 2019-04-09

“An extremely entertaining array of American life in a bygone era.” — New Yorker The last of Thornton Wilder’s works published during his lifetime, Theophilus North is part autobiographical and part the imagined adventures of Wilder’s twin brother who died at birth. This edition features an updated afterword from Wilder’s nephew, Tappan Wilder,

with illuminating material about the novelist, story and setting. Setting out to see the world in the summer of 1926, Theophilus North gets as far as Newport, Rhode Island, before his car breaks down. To support himself, Theophilus takes jobs in the elegant mansions along Ocean Drive, just as Wilder himself did in the same decade. Soon the young man finds himself playing the roles of tutor, tennis coach, spy, confidant, lover, friend and enemy as he becomes entangled in adventure and intrigue in Newport’s fabulous addresses, as well as in its local boarding houses, restaurants, dives and military barracks. Narrated by the elderly North from a distance of fifty years, Theophilus North is a fascinating commentary on youth and education from the vantage point of age, and deftly displays Wilder’s trademark wit juxtaposed with his lively and timeless ruminations on what really matters, at the end of the day, about life, love, and work.

The Bridge of San Luis Rey - Thornton Wilder 2023

The Bridge of San Luis Rey tells the story of several interrelated people who die in the collapse of an Inca rope bridge in Peru, and the events that lead up to their being on the bridge. A friar who witnesses the accident then goes about inquiring into the lives of the victims, seeking some sort of cosmic answer to the question of why each had to die. The Bridge of San Luis Rey won the 1928 Pulitzer Prize for the Novel, and remains widely acclaimed as Wilder's most famous work.[citation needed] In 1998, the book was rated number 37 by the editorial board of the American Modern Library on the list of the 100 best 20th-century novels. Time magazine included the novel in its TIME 100 Best English-language Novels from 1923 to 2005. From the earnings of The Bridge of San Luis Rey, in 1930 Wilder built a house for his family in Hamden, Connecticut. His sister Isabel lived there for the rest of her life. This became his home base, although he traveled extensively and lived away for significant periods. He died in this house on December 7, 1975, of heart failure. He was interred at Mount Carmel Cemetery, Hamden, Connecticut.

Thornton Wilder: The Eighth Day, Theophilus North, Autobiographical Writings (LOA #224) - Thornton Wilder 2012-02-02

"The best thing he ever wrote," observed Edmund Wilson of Thornton Wilder's National Book Award winner *The Eighth Day* (1967), an enthralling novel that shows Wilder revisiting the small-town America of *Our Town* to fashion a philosophical whodunit. A wrongful conviction for murder and a daring rescue lead to a meditation on justice, destiny, and "the impassioned will," for which "nothing is impossible." Wilder's last novel, the semi-autobiographical *Theophilus North* (1973), is an affectionate portrait of Newport, Rhode Island, in the 1920s and a playful, valedictory glance at Wilder's young manhood. Completing this volume are three never-before-published reminiscences taken from an unfinished autobiography in which Wilder engagingly recalls his childhood stay at a boarding school in China, his time as an undergraduate at Yale, and the uneasy experience of visiting Salzburg not long before Austria was annexed by the Nazis. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Collected Translations and Adaptions of Thornton Wilder - Thornton Wilder 2006-12

"Literature has always more resembled a torch race than a furious dispute among heirs."-Thornton Wilder
"Here is a man who knows the classics backwards and forwards. Nothing could have been more natural to him than to draw upon these giants of the past, stand on their shoulders and weave their ideas and techniques into the texture of his own writing in order to forge something new and original."-Ken Ludwig, from his introduction
These six masterful adaptations and translations of plays by other authors-four of them previously unpublished-illuminate a lost chapter in Thornton Wilder's career as a dramatist, and reveal him passing the torch in the continuum of literary greats. Included in this volume are Wilder's impeccable translations of Ibsen's *A Doll's House* ,

Sartre's *The Victors*, and *Lucrece* by Andre Obey; and his inspired adaptations of *The Bride of Torozko* by Otto Indig, *The Beaux' Stratagem* by George Farquhar, and *The Matchmaker* by Johann Nestroy (itself the source for the popular musical *Hello, Dolly!*). Thornton Wilder was one of the most distinguished and versatile American writers of the twentieth century. Among many honors, he was awarded three Pulitzer Prizes: two for drama and one for fiction. Among his seven novels is *The Bridge of San Luis Rey*; his works for the stage include *Our Town*, *The Skin of Our Teeth*, and *The Matchmaker*, which remain among the best-loved and most-produced plays of all time.

Wreck on the 5 - Thornton Wilder 2014-12-31

In this play, which represents "Sloth" in Wilder's projected cycle on The Seven Deadly Sins, Herb Hawkins, a jovial New Jersey - New York City commuter with iron-bound habits, has called to say he is coming home late. This news sets his wife and daughter on edge, a condition heightened when a neighbor informs them that an unidentified man is hiding in the shadows of their front lawn, staring in at them. The police

arrive to arrest the supposed prowler, only to find Herb, quietly observing his family through the windows of his own home. It seems that earlier that day, he received word of a surprise inheritance, left to him by a kind, lonely elderly woman. This sudden gift of a large sum of money prompts Herb to question the meaning and purpose of his own life. He returns to his place in the family with touches of humor, irony and despair.

Each member of the family - sixteen year-old Tom, his seventeen-year-old sister Francesca and their parents, Mr. and Mrs. Carter - shares different memories somehow connected with their surroundings. These memories color the mo

The Eighth Day - Thornton Wilder 2014-02-25

"[Wilder's] finest and most beautiful novel. . . . Spanning two continents and several generations, it begins as a murder mystery and goes on to tell a story, at once dramatic and philosophical, about the range of human courage, aspirations, steadfastness, weakness, defeat and victory." — New York Post This beautiful edition of Thornton Wilder's renowned National Book Award-winning novel features a foreword by John Updike and an afterword by Tappan Wilder, who draws on unique sources as Wilder's unpublished letters, handwritten annotations, and other illuminating documentary material. At once a murder mystery and a philosophical tale, *The Eighth Day* is a "suspenseful and deeply moving" (New York Times) work of classic stature that has been hailed as a great American epic. Set in a mining town in southern Illinois, the

novels centers around two families blasted apart when the patriarch of one family, John Ashley, is accused of murdering his best friend. Ashley's miraculous jailbreak on the eve of his execution and his subsequent flight to South America trigger a powerful story tracing the fates of all those whose lives are forever changed by the tragedy: Ashley himself, his wife and children, and the wife and children of the victim.

Three Plays by Thornton Wilder - Thornton Wilder 2009-07-01

This omnibus volume brings together the definitive texts of three outstanding plays by one of America's most distinguished writers. *Our Town*, *The Skin of Our Teeth*, and *The Matchmaker*.

The Ides of March - Thornton Wilder 1968

"*The Ides of March*, first published in 1948, is a brilliant epistolary novel set in Julius Caesar's Rome. Thornton Wilder called it "a fantasia on certain events and persons of the last days of the Roman republic." Through vividly imagined letters and documents, Wilder brings to life a dramatic period of world history and one of history's most magnetic, elusive personalities." "In this inventive narrative, the Caesar of history becomes Caesar the human being. Wilder also resurrects the controversial figures surrounding Caesar - Cleopatra, Catullus, Cicero, and others. All Rome comes crowding through these pages - the Rome of villas and slums, beautiful women and brawling youths, spies and assassins."--BOOK JACKET.
